Report of the Board of Church and Society — Rev. James Stovall, chairman, introduced Rev. James Graham who read a proposed amendment to the report of the Board of Church and Society. The amendment read as follows: Point No. 12:

The Louisiana Annual Conference of the United Methodist Church hereby expresses its opposition to House Bill No. 688 by Louis Charbonnet of New Orleans. This bill proposes permitting casino gambling on a local option basis. Our forefathers, who laid the foundation for this nation 200 years ago, believed that they were giving us a form of government which would be worthy of our support through normal means of taxation. We, as United Methodists, believe that our form of government is worthy of our support. We encourage our members and the citizens of our state to provide municipal services without turning to forms of gambling which would tend to destroy the stability of families, our institutions of government, and the morality of our citizens. We have seen too much political corruption and we are opposed to legalized gambling which oftentimes seeks to buy political favoritism. Furthermore, we oppose House Bill No. 688 because it would tend to strengthen organized crime in our state. We further recommend that messages be sent to the Governor and members of the Legislature expressing our opposition to this or any other bill which would permit legalized gambling. Furthermore, we encourage the Legislature to fulfill the admonition of the new Constitution which states, "The Legislature shall define gambling and shall pass laws to suppress it." After a supporting statement by Rev. Bob Jamieson the amendment was adopted. Bishop Crutchfield stated that all voting for the report should write and express themselves to persons making this decision. He further instructed the secretary of the conference to send telegrams to key legislative leaders expressing the will of the conference.

Rev. Stovall then presented item 1 in the Board's report, on public education, and moved its adoption. He then requested the Conference, by a two-thirds majority, to allow Dr. Sidney Seegers and Dr. Earl McKenzie to speak to this section of the report. This request was ordered by the Conference. Dr. Seegers, of the Louisiana Teachers' Association, spoke about the concerns of teachers, especially about the dangers of using public money for non-public schools. Dr. Earl McKenzie, Superintendent of Schools in Caddo Parish, stated that churches needed to help lead the way enabling schools to meet changing times. Bishop Crutchfield stated United Methodist Church is the only major denomination in Louisiana with no academy for the purpose of circumventing desegregation. Rev. Warren Blakeman moved to amend Section 1 as follows: delete the last three sentences which read "We further recommend a state convocation on public education. This convocation will be planned and promoted by the Board of Church and Society in cooperation with the Bishop and cabinet. We further recommend that seminars on public education be held in each parish in the state under the supervision of our district superintendents." Rev. John Winn spoke in opposition to the amendment and Rev. Jimmy Pyles and Rev. W. O. Lynch spoke in favor. After questions from Rev. Kirby Vining were answered by Rev. Stovall the amendment was adopted by standing, counted vote and the three sentences were deleted from the report.

Continue Report of the Board of Church and Society — James Stovall moved to amend Item 1 of the report as follows: We hereby express appreciation to the public school teachers of our state for their service and loyalty during a period of social change. We support them as they fulfill their responsibility in teaching subject content and in teaching the social responsibilities and relationships that are needed in American society.

Rev. Ed Thomas moved the following substitution: That the Conference Council on Ministries work out an appropriate way to show support and appreciation to public school teachers. After discussion Rev. Stovall accepted this statement as an addition to his amendment. Tom Matheny spoke to the proposal. It was then adopted by the Conference. Rev. Clyde Frazier moved to amend section 1 as follows: Seminars on public education shall be held in each district under the supervision of the district superintendent, assisted by the Board of Church and Society. A point of order was raised as to whether this amendment was not identical to a previously defeated section. Bishop Crutchfield ruled that the proposal was not identical. After Rev. Ed Thomas and Rev. A. D. St. Amant spoke against the amendment, and Mrs. Earline Bradford of Camphor church spoke for the amendment, it was adopted by a standing, counted vote.

Rev. Stovall called on Dr. Douglas L. McGuire to speak in support of Item 4 in the report, dealing with the hunger crisis. After his statement Item 4 was adopted.

Rev. James Graham then moved to amend section 2 of the report as follows: In section 2, line 2, delete the words "sex education" and add "family life instruction". In line 5, section 2, delete the words "sex education" and add "family life instruction." Also add the following sentence after line 8: We further recommend that the family and church should affirm their responsibility in giving family life instruction. This amendment was adopted.

Rev. George Calvin moved to amend section 1 as follows: to the sentence "we further encourage local churches and individual Methodists to give support to strengthening the public education of our state, add "and that textbooks not be removed solely on the basis of social, cultural or ethnic differences." After debate this amendment was adopted by standing, counted vote. Mrs. Mariann Burns moved that section 2 be amended as follows: delete the words "family life instruction" and re-insert the words "sex education." The proposal by Marty Fuller to add the words "and family life instruction" was accepted by Mrs. Burns. This amendment was adopted. Mr. Roy Jones moved to amend Item 2 as follows: To sex education and family life instruction in our public schools add "on an elective basis." Rev. Bill Rowell and Rex Squyres spoke in opposition to the amendment and Dave McGee and Larry Robertson supported the amendment. The amendment carried.

Report of Clerical Ballot No. 4 — Total Ballots Cast: 265. Ballots Spoiled: 7. Valid Ballots 258. Needed for election: 130. There was no election. Clerical ballot No. 5 was cast and the ballots were sealed until the afternoon session.

Continue the Report of Board of Church and Society — Mr. Truman Ward moved to amend the report by adding a section to be numbered 13, which read as follows: We recommend that the Board of Church and Society work with other commissions and agencies of the Louisiana Conference of the United Methodist Church to develop an active program for combatting the growing problem of violence for violence's sake presented on television and in movies, and that a report on the progress of this active program be reported to the next session of the Louisiana Annual Conference. The amendment was adopted.

Rev. Bertrand Griffin moved to amend Item 2 of the report as follows: Delete the words "and to decentralization of Angola" and add section A under No. 2 "It is further recommended that the Louisiana legislature give favorable support to legislation to decentralize Angola into smaller specialized units and to proposals for increased, adequate staffing of these units." This amendment was adopted.

Rev. Dan Grove moved to amend section 2 of the report as follows: after the first sentence insert the following: "We further recommend that pastors teach our young people what God's Word teaches in these areas." This amendment was adopted.

Report of Clerical Ballot Number 16 — As ordered by the Conference, the two persons receiving the largest number of votes were declared to be alternate delegates to the Jurisdictional Conference. These were Kenneth McDowell and William Fraser.

Special Privilege — Bishop Crutchfield introduced Mrs. Thelma Brett, who works in the Provost's office and has edited the Conference page of the Louisiana Methodist for the last six months. He also presented Mrs. Betty Watson, the Bishop's secretary.

Committee on Review and Resolutions — Rev. George Ross, chairman, presented the report of the Committee. He moved that the district superintendents provide instruction at the pre-conference training sessions in the proper procedure for presenting resolutions to the committee. This motion was adopted. The report of the committee is found in Section 6 of the Journal. Each of the resolutions presented was acted upon individually. Resolutions 1 through 6 were adopted and presented. Resolutions 1 and 5 were adopted by more than the two-thirds vote required for a petition to the Judicial Council. When Resolution 6 was presented, Dr. Robert Kemmerly moved to amend the resolution by dropping the word, "public" from the first line. His amendment was accepted and Resolution 6 was adopted. Rev. George Calvin moved reconsideration of Resolution 6. The Conference did not approve reconsideration. Resolution 7 was adopted with the addition of the words, "an additional" after the words "which would demonstrate the need for" in the second paragraph of the resolution. These words were added by common consent. Mrs. Wynona Ward, author of the resolution, spoke in support.

Where Will the Next Conference Be Held? — Dr. John Allen, President of Centenary College, extended an invitation to the Conference to meet at Centenary next year. The invitation was accepted with appreciation.

Personal Privilege — Rev. Charles Floyd expressed confidence in the General and Jurisdictional Conference delegations.

Reading of the Appointments — Bishop Crutchfield read the special appointments and the appointments of the district superintendents. Each district superintendent read the appointments for the pastors in the district he serves.

Benediction — Dr. Robert F. Harrington offered prayer to conclude this session of the Conference.

AFTERNOON SESSION**Brown Chapel****1:30 p.m.**

Bishop Crutchfield was celebrant and preacher for the Lord's Supper. He was assisted in the distribution of the elements by Rev. Richard Calvin and Rev. James T. Harris, retired ministers of the Conference. The Conference was concluded with the benediction by Bishop Crutchfield.

REPORT OF THE COUNCIL ON FINANCE & ADMINISTRATION

Report No. 1

Resolution for Establishing The United Methodist Foundation of Louisiana

Whereas there is an imperative need that the United Methodist institutions, programs, and projects of the Louisiana Conference of the United Methodist Church of the State of Louisiana receive enlarged and continuing support from its constituents; and

Whereas this need has become apparent to the leadership of the Conference, and the establishment of a Foundation and an office for cultivation and promotion of same and other similar interests of United Methodism has been approved by the Conference Council on Ministries, by the Bishop and his Cabinet, and by the Council on Finance and Administration of the Louisiana Conference of the United Methodist Church:

Be it therefore resolved that the Louisiana Annual Conference of the United Methodist Church, in its fifth session meeting in Shreveport, Louisiana, May 27 to May 30, 1975, authorizes the establishment of a non-profit United Methodist Foundation of Louisiana, Inc., as of this twenty-seventh day of May, 1975, to begin operation June 1, 1976. Both the Foundation and office hereby authorized, shall be operated for the benefit of the institutions, programs, projects, boards and agencies of United Methodism in Louisiana. Donations and contributions for the Foundation shall be specifically so designated and shall not in any way infringe on the prerogatives and responsibilities of the Trustees of the Annual Conference.

Be it further resolved that the general purpose of said foundation shall be to receive gifts, legacies, and bequests; to administer said gifts, legacies, and bequests; to administer trust funds and annuities for the benefit of the Conference Institutions of the United Methodist Church of this state; and to carry on, in a broad scope, an effective program of encouraging our Methodist people to be good stewards of their present and future resources.

Be it finally resolved that the financial plan for the support of the Foundation recommended by the Council on Finance and Administration (1. \$20,000 from Conference Administration, 2. The balance from contingency funds with the cooperation of the Conference Boards and Agencies, who are asked to contribute the interest from their reserve funds wherever possible.) be adopted and that all other details for the implementation of the Foundation be worked out by the Executive Committee of the Conference Council on Ministries, the Bishop, and his Cabinet, and the executive officers of the CFA.

Report No. 2

Two budget items require more attention. They are:

1. Conference Administration Fund. Increasing pressure is being put upon this

Fund and it should be paid 100%. This has been coming in at about 90%, like World Service. We recommend that churches give this the highest priority after Ministerial Support apportionments in making up their budgets for 1976.

2. World Service and Conference Benevolences. For three years we have had to reduce appropriations for the Conference Boards and Agencies by 10% because this item was not paid in full.

Your Council on Finance and Administration does not believe in deficit financing. We must raise more money thru these two items. This you can do. We hope you will.

We again remind the local church that it cannot pay the pastor in full unless all ministerial support items are paid in full (Par. 887, 1972 Discipline).

Remittances for Conference and General budget items should be made monthly to the Conference Treasurer.

Report No. 3

We recommend that an amount equal to \$1.50 per member be paid by each local Church for the support of the Campus Ministry program.

We recommend that the Board of Directors of the United Methodist Home Hospital be granted the privilege of presenting the maintenance budget of the Home to each local church, with a suggested amount of four (4%) per cent of the pastor's base salary to be raised by the Church, and that Sunday, December 14, 1975, be observed as United Methodist Home Hospital Sunday.

We recommend that the Louisiana Moral and Civic Foundation be granted the opportunity to present its cause to the local Church and Community. We suggest a financial goal of twenty-five (25c) cents per member.

We urge that an offering be taken for Retired Ministers' Homes during the month of September and that Sunday, September 21, 1975, be designated as Retired Ministers' Homes Sunday.

We request that all Churches give full support to the Methodist Children's Home in Ruston. The two dates suggested for a special offering are: October 19, 1975, and April 18, 1976.

We recommend the observance of the following special days:

- (1) United Methodist Student Day — June 8, 1975.
- (2) Lafon United Methodist Home Day — July 13, 1975.
- (3) Peoples' Community Center Day — August 10, 1975.
- (4) Feed the Hungry of the World Sunday — September 7, 1975.
- (5) Christian Education Sunday — September 28, 1975.
- (6) World Wide Communion Sunday — October 5, 1975.
- (7) Human Relations Day — January 25, 1976.
- (8) One Great Hour of Sharing — March 28, 1976.
- (9) Methodist Hospital Sunday — May 16, 1976.

The Council recommends that every member in every United Methodist Church of Louisiana support the special Bi-Centennial Fund-Raising Campaign for the new Methodist Foundation of Louisiana to be launched in 1976 by the Bi-Centennial Commission.

The Council highly recommends a continued emphasis by all churches of Advance Specials: both of the National Division and of Conference Specials: requesting, however, that all churches pay in full the World Service and Conference Benevolences apportionment before appropriating funds for second-mile projects. We remind the Annual Conference that World Service and Conference Benevolences is the basic foundation for all programs in the Church.

We recommend the continued support of Western Methodist Assembly at Mt.

Sequoyah, Arkansas, with a goal of \$10.00 per pastoral charge. Each district is to raise the amount on the basis of the total number of pastoral charges in the district.

It is recommended that the First National Bank of Shreveport, Louisiana, and the Commercial National Bank of Shreveport, Louisiana, be designated as the principal depositories for funds of the Louisiana Annual Conference.

The books of the Conference Treasurer have been audited by the firm of Joel C. Thomas, Certified Public Accountants, and they are in proper order (Par. 877, 1972 Discipline).

The Council recommends the continuation of the system of apportionments on the decimal plan (for details see Conference Rules in the Journal). The decimal plan shall be applied to the following Conference Items:

(1) District Superintendent and Area Provost Fund; (2) Episcopal Fund; (3) Board of Pensions; (4) Equitable Salary Fund; (5) General Conference Administration Fund; (6) Jurisdictional Conference Administration Fund; (7) Annual Conference Administration Fund; (8) Interdenominational Cooperation Fund; (9) Temporary General Aid Fund; (10) World Service and Conference Benevolences; (11) Ministerial Education Fund; (12) Black College Fund; (13) Centenary College; and (14) Interchurch Conference.

With regard to the Pastor's Expense Account and Utilities expense, the Council recommends to the Conference that (1) permission be granted to the Pastoral Charge to pay an amount not to exceed \$2,400 as expense, provided that the salary set by the Charge Conference be maintained, and that no charge reduce its salary in order to raise the expense account; and (2) permission be granted to the Pastoral Charge to pay an amount not to exceed \$800 as utilities expense, provided that the salary not be reduced below the 1975 level.

We recommend that the local churches pay a maximum of \$600 on the moving expenses of ministers of the Annual Conference. This expense should be paid for the incoming minister by the new Church to which he is appointed.

We remind the ministers of the Annual Conference who will move to another charge that they are to accept salary and expense only through May 31, 1975, from the Charge they are presently serving. All June salary and expense will be paid by the new Charge.

In order to comply with the Federal Income Tax regulations, we recommend that the utilities on the Bishop's residence, district parsonages, and parsonages used by the Council on Ministries Director, and ministerial associates, the Conference Treasurer, and the Area Provost be considered a part of their salaries as a "Housing Allowance".

The Treasurer of the Conference is authorized to pay from the District Superintendent and Area Provost Fund twelve (12%) per cent of the average salary of the Conference for each District Superintendent and for the Area Provost to the Pension Fund.

Institutions and agencies which receive funds from the Annual Conference are required to submit a financial statement at the end of each calendar year (Par. 868.4). A list of all investments and the returns therefrom shall be submitted to the Council and to the Annual Conference annually (Par. 868).

The Council should like to remind the Conference of Judicial Council Decision No. 345 which states that "ministerial members of an Annual Conference serving under episcopal special appointments shall report their salaries or remuneration for publication in the Annual Conference Journal."

Report No. 5

We recommend that seventy-five (75%) per cent of the money raised in the Annual Conference for the Black College Fund be designated for Dillard University, New Orleans, Louisiana.

We recommend that the Commission on Archives and History be granted permission to receive donations for historical work in the Annual Conference.

We recommend that the Reverend Lloyd A. Foreman be granted permission, as Conference Evangelist, to continue the Board of Advisors, which give moral and financial support to his ministry (Par. 1044, 885, and 868.4, 1972 Discipline). We further recommend that his appointment be "without annuity," but that he be given the right to pay or to raise the annuity himself.

REPORT OF THE CONFERENCE COUNCIL ON MINISTRIES

1. **The Membership of the Council.** The Conference Council on Ministries is composed of the bishop, who is chairman, the district superintendents, almost all chairpersons and certain other elected leaders of conference boards and agencies, lay representatives from each district, members of general boards of the church who live in La., youth and young adult representatives, and all conference level staff persons (area provost, conference treasurer, council on ministries staff). Names of council members are in the Journal.

2. **The Work of the Council.** To the Council on Ministries is given general oversight of the program of the Annual Conference, whose details are to be found in the reports of the program boards, to which interested persons should refer. The Council receives program recommendations from all sources (bishop, cabinet, local churches, district councils, conference boards, individuals, the general church, etc.), develops these into a coordinated program to be presented to the Annual Conference and, upon approval of the Conference, provides assistance in the implementation of the program.

3. **Conference Priorities.** Evangelism is our lead priority in 1975, and Concern for Persons is our secondary priority. Next year, in 1976, Concern for Persons will be the lead priority and Evangelism the secondary priority. These two were chosen after a careful survey in which leadership in every local church was given opportunity to state what it believed to be the priorities the conference should adopt. They were officially approved by last year's conference, and are now being implemented in our churches.

This year, we will ask you to express yourselves about what you believe our

priorities should be for 1977 and 1978. We assure you that your Council will listen very carefully to what you say. Proposals will be made at the next session of the Conference for these new priorities.

4. **Conference Council Staff.** Your conference council staff is available to work with any local church to provide training in any area of need. There is no charge for this service beyond the asking already in the local church budget for conference administration. More than sixty local churches requested and received these services this year. These ranged in size from one church with 27 members to several large membership churches. Staff has major responsibility for assisting in development and implementation of program on the district and conference levels, working in consultation with elected and appointed officers.

5. **Major Council Events in the Last Conference Year.**

a. Elected new officers: Bishop Finis A. Crutchfield, Jr., Chairperson, Miss J. Vernita Booker, Vice Chairperson and Rev. Roy E. Mouser, Secy.

b. Elected a new associate director: Mrs. Inez W. Chrisentery.

c. Adopted a proposal, which is part of this report, for a further reduction in the size of the Council on Ministries staff.

d. Employed a new secretarial staff: Mrs. Mamie Huffman and Miss Bobbie Washington.

e. Assisted the iteration of the conference by Dr. Ewart Watts, editor of United Methodist curriculum resources, and Dr. Howard Walker, who is in charge of interpretation of resources.

f. Entered into a three-year agreement with Dr. Virgil Sexton, author of *Listening to the Church*, and staff person from the General Council on Ministries, who will assist the Council and the Conference to refine and further develop its program planning process.

g. Began *Target*, a new publication in which each issue is targeted at one specific area of local church work. *Target* is intended to provide basic information for the local church in a short, easy to read format.

h. Cooperated with the Ruston District and the Jurisdictional Council on Ministries in a training enterprise for the Small Membership Church.

i. Sponsored and provided leadership for the first Marriage Communication Laboratory in our conference.

j. Assisted in the implementation of the Counselling Pastors program, sponsored by the Board of Ministry, for persons in their first five years out of theological seminary.

k. Reorganized the Conference AV Library on a membership basis. A modest enrollment fee is applied to the purchase of new av items. Use of the library has increased by 25%.

6. **Conference Priority: Concern for Persons.**

Report No. 1

1. It is proposed that there be a Hunger and Disaster Fund in the Louisiana Conference in 1976. Eighty percent of the money contributed shall be used to alleviate hunger and twenty percent shall be held for the Louisiana Conference Committee on Disaster Relief to allow immediate response to natural disaster.

2. It is recommended that each church adopt a goal or method for supporting this fund, to be accomplished from June 1, 1975 to December 31, 1976. The name of this fund shall be The Hunger and Disaster Fund, and all contributions shall be sent to the conference treasurer, Dr. R. Leonard Cooke.

3. It is further proposed that world hunger and disaster relief be interpreted in

each church, that information material for this purpose be provided through the Conference Board of Church and Society, the Conference Committee on Disaster Relief, that the Conference UMCOR and Conference Board of Global Ministries be involved in this project.

Report No. 2

1. It is proposed that four regional one-day conferences on caring be held in February, 1976, sponsored by the Conference Council on Ministries in cooperation with the District Councils. The goals of this conference shall be to present ways the local church can train persons in caring and organize a more effective caring ministry. The conferences on caring will also present ways to show care in several specific areas of need, utilizing competent resource persons for this purpose.

2. It is further proposed that each local church offer training in caring, and that each church organize at least one new caring ministry to a specific group of persons in their local community. It is recommended that the churches report new caring ministries at charge conference in 1976.

7. Report of the Special Committee of the Louisiana Annual Conference Council on Ministries.

Where only one associate director is elected and appointed, that associate director should be a lay person."

Proposed Amendment to Article III, Section C, Paragraph 4,
of the Structure of the Louisiana Annual Conference
(see page 79 of the 1974 Journal)

That Paragraph 4, of Article III, Section C, be deleted. This paragraph reads: "The Structure Study Committee recommends to the Conference Council on Ministries that the staff be reduced to a director and two associate directors."

B. REPORTS OF BOARDS

REPORT OF THE BOARD OF CHURCH AND SOCIETY

"What has happened?" is the question that everyone asks as they consider the news and headlines of our day. "What has happened" is that our world has come to an end! It did not come to an end with one big crash, as we had imagined. It has come to an end through many events that have reached their climax in this year. It did not come to an end out there in space, but here where we live and move and have our being. At first, we thought it was isolated events in Viet Nam, Washington, Montgomery, Wall Street, Berlin, Nashville, but soon we could see that it was all a part of one happening. The world which we have tried to build has fallen apart. The world which we built on something other than the will of God has come to an end. We see signs of the end of our world in the political, economic, international, educational, ecclesiastical, and other crises of our day.

As God's people we should not be surprised, for the Holy Scriptures tell us that all of our idols shall crumble: Jeremiah 4:23-30, Isaiah 54:10, Isaiah 24:18-20, Isaiah 51:6, Mark 13:31-37, I Thessalonians 5:1-11. Our historians, poets, dramatists have been telling us that it would happen: T. S. Eliot, Pitkin Sorokin, Charles Reich, Alvin Toffler. We are experiencing the wrath of God: Romans 1:18. By this we mean that God is acting through the events of our day to reveal to us the truth about our lives. He is permitting us to experience the consequences of our false reliance upon something other than God alone for life. The events of our day are God's judgment upon us. The events of our day are a mirror in which we see our false values, our mistaken goals, the things we have done that we ought not to have done, and the things we should have done which we have not done. The overriding assumption that has guided our living and decisions is that we can live to and for ourselves. It is this philosophy which has collapsed. Our world has come to an end.

Now we are ready to hear the Word of God. "The time is fulfilled, and the Kingdom of God is at hand; repent, and believe in the Gospel." As we stand at the end of one world, God tells us that a new world is at hand and possible. As we stand at the end of one civilization, God calls us to join with Him in building a new civilization.

Therefore, our day is not only the day of God's wrath, it is also the day of God's salvation. It is the day of God's redeeming love. It is the day when God is acting to bring about a New Day.

The purpose of the church is to enable us, by God's grace, to move forward to the new day that He desires for us and for all mankind. This is the purpose of your Board of Church and Society. In keeping with this purpose, we offer the following guidelines as a way into a better future:

1. We recommend that Louisiana Methodists affirm, study, and support Public Education in our Bicentennial year. We recognize that the public school system is one of the basic institutions of our democracy, and that all of us have received great benefits from this system and have a deep sense of gratitude for these benefits. Also, we recognize that the United Methodist Church has been a partner with our public schools in seeking to develop responsible citizens. Our public school system is in a state of change and uncertainty. There is no concern that is closer and affects more of the lives of our members. As Christians, we should respond to the needs of the community. Therefore, we encourage each local church to study the needs of public education and possible approaches to improving same in each parish. We further encourage local churches and individual Methodists to give support to strengthening the public education of our state, and that textbooks not be removed solely on the basis of social, cultural or ethnic differences. At the same time we affirm that in a democracy we need different types of educational systems, for example, private, parochial and public. It is not our intention to limit or oppose other systems, but to strengthen our public education so that it can render its distinct service to the improving of our common life. We hereby express appreciation to the public school teachers of our state for their service and loyalty during a period of social change. We support them as they fulfill their responsibility in teaching subject content and in teaching the social responsibilities and relationships that are needed in American society. To demonstrate this support, the Conference Council on Ministries shall work out an appropriate way to show support and appreciation to public school teachers. Seminars on public education shall be held in each district under the supervision of the district superintendent, assisted by the Board of Church and Society.

2. We recommend that this session of the Louisiana Legislature give favorable support to Campaign Reform Legislation, and to sex education and family life instruction in public schools on a voluntary basis. We further recommend that pastors teach our young people what God's Word teaches in these areas. Campaign reform legislation should include limitations of gifts, financial disclosures by candidates, and disclosures of expenditures by lobbyists. We believe that well planned and supervised sex education and family life instruction in our public schools can reduce unwanted pregnancies, help to prevent venereal disease, and prepare young people emotionally and psychologically for marriage.

- 2 A. It is further recommended that the Louisiana legislature give favorable support to legislation to decentralize Angola into smaller specialized units and to proposals for increased adequate staffing of these units.

3. We further recommend that this session of the Louisiana Legislature give favorable support to increased state support to families of dependent children, provided they have been enrolled in an acceptable birth control program. The Coalition for Human Dignity is a group of persons and organizations committed to the upward revision of aid to families with dependent children and of general assistance. This includes the implementation of emergency assistance programs and certain provisions for unemployed fathers. This Coalition is based on the realization that basic needs are necessary for anyone to maintain human dignity and develop full human potential. The Conference Board of Church and Society has

endorsed this Coalition for Human Dignity in its efforts to obtain greater resources for these persons who live below the minimal standard and whose situation has been made more critical by inflation. We encourage the Methodists of Louisiana to support the passage of this legislation.

4. We recommend that each local church, through its Council on Ministries, develop ways of responding to the hunger crisis.

5. We recommend that each local church celebrate the Bicentennial of the United States. The Council on Ministries should develop plans which should involve all age groups. The Board of Church and Society will prepare a resource packet and planning suggestions for local churches.

6. We recommend that the United States Congress act promptly to reduce our national energy needs by encouraging national self-discipline, and urging restraint on military spending. We further recommend that we respond to the energy crisis in positive ways by encouraging further oil exploration and by the development of alternative energy sources. We express our opposition to any serious consideration of military action in the Mid-East as a way of dealing with the energy crisis.

7. We recommend a Conference workshop on family relationships in cooperation with the Board of Discipleship. We recommend that this workshop include ways of meeting family problems, guidance and counseling, and ways in which the local church can minister to families.

8. We recommend that each local church observe Human Relations Day, One Great Hour of Sharing, Golden Cross Sunday, Worldwide Communion Sunday, World Order Sunday, and other days which relate to the ministry of the church and society.

9. We recommend that churches and individual Methodists subscribe to ENGAGE/ SOCIAL ACTION, a publication which deals with current social issues, published by the United Methodist Board of Church and Society in cooperation with the United Church of Christ Council for Christian Social Action.

10. We recommend a workshop for the training of district directors of Church and Society. We further recommend that each District Council on Ministries develop a district program.

11. We express our appreciation to Bishop Finis Crutchfield for lectures and discussions with the District Superintendents on the Social Principles of the United Methodist Church. Furthermore, we express appreciation to the District Superintendents for district seminars on the Social Principles and the leadership they have given in encouraging local churches in their studies. We encourage local churches that, as yet, have not had their study on the Social Principles, to do so during the last half of this year.

12. The Louisiana Annual Conference of the United Methodist Church hereby expresses its opposition to House Bill No. 688 by Louis Charbonnet of New Orleans. This bill proposes permitting casino gambling on a local option basis. Our forefathers, who laid the foundation for this nation 200 years ago, believed that they were giving us a form of government which would be worthy of our support through normal means of taxation. We, as United Methodists, believe that our form of government is worthy of our support. We encourage our members and the citizens of our state to provide municipal services without turning to forms of gambling which would tend to destroy the stability of families, our institutions of government, and the morality of our citizens. We have seen too much political corruption and we are opposed to legalized gambling which oftentimes seeks to buy political favoritism. Furthermore, we oppose House Bill No. 688 because it would tend to strengthen organized crime in our state. We further recommend that messages be sent to the Governor and members of the legislature expressing our opposition to this or any other bill which would permit legalized gambling. Fur-

thermore, we encourage the legislature to fulfill the admonition of the new constitution which states, "The legislature shall define gambling and shall pass laws to suppress it."

13. We recommend that the Board of Church and Society work with other commissions and agencies of the Louisiana Conference of the United Methodist Church to develop an active program for combatting the growing problem of violence for violence's sake presented on television and in movies, and that a report on the progress of this active program be reported to the next session of the Louisiana Annual Conference.

As we look at our human situation, it is obvious that we are trapped in a bed of quicksand from which we cannot rescue ourselves. However, the situation is not hopeless. God has acted on our behalf to do for us that which we cannot do for ourselves. In Jesus Christ God has acted to set us free, to offer us salvation and a new beginning. Bruce Rahtjen, in his book *Scripture and Social Action*, says, "Because we believe in the grace of God, we believe that no human life or social situation is beyond redemption." Therefore, we do not surrender to the mood of despair. Instead, we join with God and with one another for the fulfillment of his purposes. As Rahtjen further says, "If God saw fit to involve himself in the problems of human society through his act in Jesus Christ, the church as the Body of Christ can hardly afford to do less." As individual Christians and as United Methodist Churches, let us involve ourselves in the problems of our society that we might continue God's work of incarnation, redemption, and reconciliation. We encourage you to join with God and one another in moving forward to the New World and New Day that God desires for all of us.

Respectfully submitted,
James L. Stovall, Chairman
Board of Church and Society
Louisiana Annual Conference

REPORT OF THE BOARD OF DISCIPLESHIP

Evangelism

In much preparation following the last session of annual conference we moved into our first planned activity for the new year.

CONFERENCE ON THE HOLY SPIRIT

The conference was held at Pineville First Church, October 3-5 with 229 persons registered. For the first time we had a meeting where the work of the Holy Spirit and the aspects of the charismatic movement were discussed forthrightly. Dr. David Seamands and Dr. Robert Tuttle served as our resource people and Bishop Finis Crutchfield and Dr. Ralph Cain served as the panel moderators. It was a great meeting.

UNITED CHRISTIAN ASHRAM

The ashram was held in Ruston at the Holiday Inn January 9-11, 1975. More than 250 people participated in what was to be the first Ashram ever conducted in Louisiana. The response from this meeting has been overwhelming. Dr. Andy Gallman and Mr. Peter Gillquist were our primary resource persons. Plans are underway for another Ashram to be held in the central part of the state next conference year. The Committee of the Twelve which is the guiding force of the Ashram is made up of both clergy and laity from across the conference.

"TEN STANDARDS OF EXCELLENCE"

The "Ten Standards of Excellence" resulting from the new thrust on evangelism became a reality during December and January. A number of workshops were

held around the state in various districts and for individual churches, giving emphasis and know how as to the planning and implementation of the Standards of Excellence. We are off to a fine year in the work of evangelism as it relates to the total person within the total framework of the church. The significant membership gains across the conference are indicative of the fact that this will be a banner year in evangelism for the Louisiana Annual Conference.

We believe that it is noteworthy that the area of evangelism, its programs, and its conferences have been self-sustaining financially.

CONFERENCE — "LIVING IN THE NOW" - New Orleans, April 24-27

By the time this report is given the Conference on "Living In The Now" will be history as far as the meeting is concerned. We believe this to be one of the great evangelistic efforts of the year. There is an outstanding staff scheduled.

EVANGELISM PROJECTIONS

Three special evangelistic pilot programs in rural, urban and suburban settings are to be held. Two of these have been selected and will be held at Wesley Ray United Methodist Church at Angie, La. and First United Methodist Church at Lake Charles. The place and time of the third will be announced. A minister and wives retreat will be held in two locations of the state during the conference year. The place and dates are to be announced later.

The activities in the area of evangelism have been many and varied. In a recent survey sent to the 400 ministers of our conference, 175 of them responded giving the following report:

Revivals	130
Lay Witness Missions	22
New Life Missions	8
Cross Bearer Program	8
"We Care" Missions	24
Others	82

One of the very first things we will be doing during the new conference year will begin at the Lay Retreat in Pineville. We are responsible for ten small groups to be held there in the areas of witnessing, sharing ones faith, visitation, and etc.

Each church is asked to be a part of the Bi-Centennial celebration by holding a 24-hour prayer vigil between July 1975 and July 1976.

Being aware of the tremendous success of the Christian Ashram held last year in Ruston, two are planned for this conference year. The first will be held in Lafayette, hosted by the Asbury Church, October 23-25. The second Ashram will be held at the Ruston Holiday Inn, January 22-24, 1976.

In cooperation with the Council on Ministries office, there will be placed in the hands of the ministers a guideline for presenting some new and inovative ideas on evangelism to be used in the local church. These will be presented sometimes during the fall and a particular program chosen. The church that comes up with the best workable idea will be assisted financially in implementing this program.

As stated in the past, we would like to furnish a minister and/ or a singer for some days of evangelism in a local church where they feel local funds are not available. If you would like to have some days of preaching and visitation in your church, send your request to Ray Branton, Carey Martin or Jimmie Pyles.

If you live in a placid community where there needs to be a new awareness of love and concern by people who care, we will be asking some neighboring churches to go into a given community at their request to visit, hold small groups and give some know-how to the laity of the local church.

Jimme Pyles, Secretary
of Evangelism

Education

District age-level coordinator and district chairpersons on Education met January 9 in Alexandria to plan the work of the leadership training in the conference. Thirty-five persons attended. Rev. Ray Branton and Dr. Bentley Sloane were the resource persons for the meeting. As a result of the meeting, each district was asked to organize a task force to work with small churches to help organize and strengthen the church school. A conference-sponsored lab school will be conducted in each district during 1976-77-78. Emphasis was to be placed on The Christian Education offering, which will be used to defray expenses of the leadership training of the conference.

The Ruston district held a workshop on the small church January 13-15 at the Hodge Church. The purpose of the workshop was to look at the needs and possible assistance to be given to the small churches.

On March 8, a workshop was held at Pineville First Church to introduce and give teaching skills in the use of the new Children's literature. Mrs. Velma Fallin, coordinator of Children's work was in charge of the workshop.

The Board of Discipleship is requested by the Conference to consider and refer to the Conference Council on Ministries recommendations on the feasibility of a Conference-wide promotion of church school attendance, possibly beginning in September of 1976.

YOUTH ADULT MINISTRIES

A laboratory and workshop was held November 8-10, 1974. Rev. W. McCutcheon and Rev. W. Fynn co-ordinated the meeting and it was held in Baton Rouge. Participants came from five districts and thirty-four persons were in attendance with nine local churches and three campus ministers participating. Reports from this workshop were given enthusiastic reception across the conference indicating the readiness of churches throughout Louisiana to actively engage the young adults in the ministry of the church. A working retreat is planned for early 1976 for those involved in young adult work.

CURRICULUM WORKSHOPS HELD

Dr. Ewart Watts, editor of curriculum materials from Nashville held four workshops over the conference for the purpose of presenting the materials available from the National Board as well as to hear input from participating churches and to answer questions relative to both the negative and positive regarding the church school literature.

Leadership Development

A one day Education Workshop was held in Alexandria on January 7, 1975 with Reverend L. Ray Branton and Dr. Bentley Sloane as coordinators. The workshop was attended by District Coordinators of Children, Youth and Adult Ministries and by District Chairpersons on Education. The following four recommendations were made by the group with comments on the progress achieved to date.

1. All district age level coordinators and District Chairpersons on Education in the Conference were asked to prepare a teaching outline for use in an evening workshop with respective age level coordinators. The outlines were collected by the Coordinator of Leadership Development, reproduced in booklet form by the Conference Council on Ministries and mailed back to the age-level coordinators. Consequently, each participant received the benefits of eight other outlines designed for use as resource material in programming district educational emphases.

2. Each district was requested to select four of its small membership churches that need assistance in organizing church schools or in strengthening already

existing schools. The districts were then urged to organize a task force to give guidance to these churches. It was further suggested that leaders attending the Small Membership Workshop in the Ruston District be made members of the task force in their respective districts.

3. It was decided that conference sponsored lab schools emphasizing education in the local church would be held in three districts in 1976, three in 1977, and three in 1978. The schedule for these lab schools is as follows:

1976 - Lake Charles District, Monroe District, Shreveport District

1977 - Alexandria District, Baton Rouge District, Ruston District

1978 - Hammond District, Lafayette District, New Orleans District

These schools will be designed to benefit all divisions of the local church's educational program, with provisions for congregations of diverse numbers. The Coordinator of Leadership Development (Education) of the Conference Board of Discipleship will, along with the Conference Council on Ministries personnel, guide in the planning for and the selection of resource persons to teach in the individual schools as requested. A copy of **Manual for the Administration of Laboratory Training** has been mailed to each District Chairperson on Education with encouragement to study the material and begin making plans for a lab school with their respective districts.

4. It was further recommended that receipts from the Christian Education Sunday Offering, taken annually in the churches of the Conference, be used for leadership development within the Conference as stated in paragraph 163c of **The Book of Discipline**. The money received over the next three years will help finance the conference sponsored lab schools.

Another leadership development activity in the Conference during the past year was the Children's Curriculum Workshop held on March 8, 1975, at First Church Pineville. Miss Annella Creech, staff member from the Board of Discipleship in Nashville, was the workshop leader and Mrs. Wayne Fallin served as conference coordinator. The purpose of the workshop was to train persons (primarily District Coordinators of Children's Ministries) to lead in workshops for their districts and to serve as resource persons or consultants to clusters of churches and individual congregations. The new children's curriculum "Exploring the Bible" series which will be available in September was introduced. Mrs. Wayne Fallin, Conference Coordinator of Children's Ministries, urges all district coordinators to hold workshops relative to this new curriculum material prior to the September release.

Respectfully submitted,

Odell Simmons, Coordinator of Leadership Development

Conference Youth Team Report

During the past year, the youth of the Louisiana Conference have certainly verified the statement, "The youth are not the church of tomorrow but are the church of today."

The Conference Youth Team has sponsored the following events this year:

1. Conference/ District Youth Team training in June with attendance between 40 and 50. Several resource persons remarked that this was one of the best youth training sessions ever held.

2. "What's So Special About United Methodism," a youth convocation at Pineville on October 5. Bishop Crutchfield provided inspiration with his message on the principles of Methodism. The group of over 750 youth met in small groups that afternoon for discussion of these principles. The day reached its climax at a worship celebration at which everyone shared what they had experienced that day.

3. February 6-9: Seminar on Biblical Faith and Politics. A fine staff, headed by Lorris Wimberly, led the group of 40 in intense study of what it means to be a Christian in today's world. Topics included were: Biblical Faith and War, Race, Political Action, Poverty, Patriotism, and Middle American Values.

This year's work culminates with youth delegate training at Annual Conference. We will try to provide a better sense of community and fellowship among the youth who attend. Plans for the summer include: Conference/ District Youth Team training in June, a work camp at St. Mark's Community Center in New Orleans during June (this is our conference Youth Service Project for this year), a backpack camping trip in July, and a conference-wide Junior High retreat in August. A United Nations Seminar will be held in 1976.

All areas in the conference have made great effort to include the youth in all phases of church life, and we are truly appreciative. The youth feel that the church is certainly on its way to truly becoming a "United" church.

Donna Hendryx, President, Conference Youth Team
Willis Dear, Adult Chairman

Camping

The Committee on Camping firmed up a set of standards and guidelines for camping and campsites. There are guidelines for (1) Boards of Trustees of Camps, (2) District Directors of Camping, (3) Camp Directors, and (4) Group Leaders. If this set of guides are studied and followed, a "giant step" will be taken in making the camping program of our conference more unified as well as stronger.

The committee planned a Workshop for Camp Directors for February 18-20, 1975. Mrs. Marianne Burns, New Orleans District Directors, was the coordinator for the workshop and did an excellent job. All of the resource persons were from our conference except the Rev. Chuck Kishpaugh, from Detroit. It was the best workshop we have had for camping in our conference.

The report of the camp and conferences in our conference is much better for 1974, because we have a complete report. In 1973 it was not complete. Several factors may be involved in the increase. All of the District Directors have been faithful and conscientious in fulfilling their responsibilities, more District Superintendents are becoming increasingly concerned, and Bishop Crutchfield is vitally interested in the camping program.

	Elementary	Junior High	Senior High	Young Adult	Family
No. of Camps	9	9	3	2	6
No. of Campers	470	360	166	60	271
Conferences (attendance)			110		
No. of Retreats			4	5	
Attendance			165	149	

These figures do not include some 8,000 people who used our campsites for retreats, picnics, day camps, etc.

For the conference year 1976 we propose to have a professional staff persons at three campsites — Istrouma, Caney, and Lake Charles. These persons will probably come from the C.S.C.C. program and Centenary College. They will be trained by and under the direction of the Conference Camping Committee. This will help to unify the camping program, raise the quality of the camps, and make it easier for directors to get an adequate staff.

In addition to the regular summer camps, an Elementary Music Camp is set for the Lake Charles District Camp, a workcamp is planned for New Orleans, and a

backpack trip is in the making. Future considerations include a canoe trip and a bicycle trip. This diversification is not to spread ourselves thin, but rather to meet the needs of more people.

As concisely as possible, the Board reports on its stewardship of the responsibilities and funds assigned to it.

Ecumenical and Inter-Religious Concerns

Mr. Milton Johnson, Ecumenical and Inter-Religious Concerns Officer of the Board, attended the sixth assembly of the Louisiana Inter-Church Conference in Lafayette, Louisiana, January 21, 1975. The assembly heard a final report on its corrections reform emphasis and activity, during 1972-1974, and gave considerable in-depth consideration to its present program emphasis on service to the aging.

We wish to encourage the local churches of Louisiana to accept and pay in full their apportionment for the support of the Louisiana Inter-Church Conference. The total apportioned for 1975 is \$15,200.00, and the same amount is being recommended for 1976. Dr. Robert F. Harrington, a member of this Conference, is Executive Director of the Louisiana Inter-Church Conference; and Dr. J. Woodrow Hearn, also a member of this Conference, is the President.

Health and Welfare Ministries

The Board constituted a task force to make local arrangements for the convention of the National Association of Health and Welfare Ministries of the United

Methodist Church, which was held in New Orleans, March 9-11, 1975. The Rev. Ralph Cain, Area Provost, acted as Chairman of this task force. Other members were the Rev. Terral Lowe, the Rev. James Adams, the Rev. John Koelemay, Dr. John Bayliss, the Rev. Alfred Pollar, Mr. Ernest Arnold, and Miss J. Vernita Booker. The task force provided stewards for the convention, planned the reception which was hosted by Bishop and Mrs. Crutchfield, correlated materials into the packet for each delegate, coordinated publicity through the local news media, and planned tours of institutions in the city of New Orleans. The Rev. Terral Lowe, Health and Welfare Ministries Officer of the Board, attended the convention, as did representatives of health and welfare institutions of the United Methodist Church in the State of Louisiana.

It is recommended that all health and welfare institutions in Louisiana relate to the Board of Global Ministries through the Rev. Terral Lowe, Health and Welfare Ministries Officer. See reports of Health and Welfare institutions at the conclusion of this report.

Missions

Church Extension

The Rev. Donald J. Hall, Church Extension Loans and Grants Officer, has made a report on the Revolving Loan Fund, a copy of which is attached.

The Board approved the application of the Reveille United Methodist Church of Monroe, Louisiana, for a loan of \$25,000 from the Louisiana Methodist Children's Home Loan Fund, administered by the General Board of Global Ministries, for the purpose of retiring their present indebtedness of \$14,297.10, with the balance of \$10,803.90 to be applied toward the construction of an education, recreation, and day-care building.

The Board considered an application from the Hammond District for funds with which to purchase property for a new church at Mandeville, where no United Methodist Church now exists. The Board regretfully denied this application, having very limited funds, but now that this has been declared a priority by both the Cabinet and the Commission on Finance and Administration, we will reconsider this application at the next meeting of the Board, which will be held at the time of the meeting of the Annual Conference.

Recognizing the need for additional Church Extension funds in the Annual Conference, the Board has requested an increase in its appropriation for 1977, that increase to make possible additional grants for Church Extension projects. The Board will wish to work in close cooperation with the Board of the Laity, which administers the 1000 Club. We wish to congratulate the Board of the Laity for the almost 100% increase in the amount of money which is currently being raised for 1000 Club projects.

The Revolving Loan Fund

In mission outreach and assistance to local churches The Revolving Loan Fund serves effectively as an arm of The Board of Global Ministries. Though this report, of necessity, deals primarily with statistics the measurement of service rendered must be gauged by building improvements, physical comforts afforded congregations and parsonage families, and by the spirit of worshippers assembling in buildings constructed and improved by these loans.

The restructure of the Board and the change in administrative responsibility of

the Conference Council on Ministries resulted in the transfer of financial accounting to the Conference Treasurer. Also, Rev. Donald J. Hall was elected to serve as Loan Officer for the Revolving Loan Fund and he is charged with the responsibility of record keeping and handling of all requests for loans.

At the beginning of the year, January 1, 1974, there were forty two (42) loans on record. New loans negotiated during the year were thirteen (13) in number making a total of fifty five (55) loans to aid churches closed by payment in full, or by Board action, leaving forty one (41) active loan accounts at the close of 1974.

Loans Receivable as of 1/1/74	\$85,514.00	
Interest added to accounts	199.00	
New loans granted	35,100.00	
TOTAL TO BE ACCOUNTED FOR:		\$120,813.00

Nicholas Incrivaglia		
Loans Receivable as of 12/31/74	75,960.00	
TOTAL TO BE ACCOUNTED FOR:		\$120,813.00

The Board has established separate accounting for the Revolving Loan Fund effective January 1, 1975 and set aside \$15,000.00 cash plus all loans receivable in the amount of \$75,960.00 giving the Fund a total of \$90,960.00 plus any interest which accrues from the loans. An annual statement is to be sent each church by the Loan Officer which will show total receipts for the year and balance due. The general condition of the accounts is good, with the exception of three churches that are delinquent, and most churches are faithful and regular in making payments on their loan.

Policy

Loans from the Revolving Loan Fund shall be available to any church on the basis of the following policy, to wit:

1. The Louisiana Conference Board of Global Ministries maintains a special account called "The Revolving Loan Fund."
2. Loans from The Revolving Loan Fund may be made only to (a) established churches in need of temporary assistance, or (b) to missionary or new congregations for which other conference funds are not available or recommended.
3. Loans from The Revolving Loan Fund may be made for any purpose having to do with extension needs, including building, renovation, repairs, purchase of equipment or purchase of land.
4. There shall be a ceiling of \$3,000.00 on any loan made from the fund, with the exception that a new congregation not in excess of five (5) years of age shall have a ceiling of \$5,000.00.

5. All loans shall be interest free during the first three (3) years from the date of the loan, but interest at the rate of six (6%) percent per annum shall be charged thereafter, payable each year due.
6. No mortgage shall be needed for loans from this fund.
7. No loan shall be made for a period to exceed five (5) years, with payment on principal being twenty (20%) percent per annum of the original loan, plus interest on the principal balance when due.
8. Each loan shall be witnessed by the Pastor, District Superintendent, and Trustee Chairman of the church borrowing from The Revolving Loan Fund. Annual notification of the loan status shall be sent these three officers.
9. Official forms prepared by the Board of Global Ministries shall be used, with an original and two copies completed and signed in triplicate. These forms are to be returned to the Loan Officer with a letter of approval from the District Superintendent and a copy of the minutes of the Charge Conference authorizing the request for the loan. The minutes of the Charge Conference should indicate how the money is to be used (for what purpose), and the method by which the loan is to be repaid.
10. Loans are made on a "funds available" basis, and in the order requests are received by the Loan Officer.
11. No loan shall be made to a church within any District having within its bounds a local church obligation past due in excess of one (1) year from the maturity date of the note in question, unless the note in question is renewed and interest paid to date. Only the first three (3) years of the original loan shall be interest free.
12. The Loan Officer shall be a member of the Board of Global Ministries who is property elected at a meeting of the Board.

Urban Ministries

By action of the Annual Conference, the funds resulting from the sale of the Shreveport Inn were committed for administration to the Board of Global Ministries. The total amount received from the sale of the Inn and its furnishings and equipment was \$39,713.40. The amount of interest received from the investment of this money was \$2,484.03. This makes a total to be accounted for of \$42,197.43.

After the September meeting of the Board, a request was received from the St. Mark's Community Center in New Orleans for \$10,000 to be used as matching money for the funding of their Street Academy, to begin January 1, 1975. With the endorsement of Bishop Crutchfield and the President of the Shreveport District United Methodist Women, the Executive Committee approved this request. Subsequently, \$3,000.00 was given by one of the churches of the Conference to be credited against this commitment by the Board. The Executive Committee of the Board then voted to send to St. Mark's the balance of \$7,000.00, \$1,000.00 to be paid from the Shreveport Inn Fund, and the other \$6,000.00 to be paid from the Reserve Fund of the Board but to be reimbursed from Shreveport Inn Fund money over a period not to exceed four years.

It is the policy of the Board of Global Ministries to appropriate only the income from the invested funds and none of the principal of \$39,713.40.

Since the St. Mark's request, the Board has received a request for funding from the Shreveport Inn Fund for the Shreveport Metropolitan Ministries. At present, the Board has this matter under advisement and will make a report to the Annual Conference at its May meeting regarding the action taken in response to this request.

Spanish-Speaking Ministry

We want to express appreciation to those churches of the Conference who made possible the purchase of a bus for the use of the Spanish-speaking ministry of New Orleans, and to those churches who contribute regularly to the support of this ministry. We also wish to thank the Commission on Finance and Administration for directing the undesignated Advance Special funds to this ministry.

Plans are being made for expanding this ministry, and a task force has been constituted to promote its support throughout the Conference. Dr. Harvey Williamson, Pastor of First United Methodist Church of Alexandria, is the Chairperson of this task force. Others who have accepted membership on this task force are Mrs. Albert Habeeb, New Orleans; Mrs. Marcus Burks, Baton Rouge; the Rev. Kenneth Fisher, Alexandria; and the Rev. W. D. Boddie, Monroe. Additional members of the task force will be announced at a later date.

Concept Associates and Shreveport Metropolitan Ministries

We have been notified by the Rev. James H. Graham, our contact person with the General Board of Global Ministries, that Concept Associates, a New Orleans based ministry to prisoners, has received an appropriation of \$3,000.00 for 1975, and Shreveport Metropolitan Ministries received an appropriation of \$4,000.00 for 1975. Both of these grants come from the Division of Urban Ministries of the General Board.

Town and Country Ministries

The Board of Global Ministries funded a training seminar for Town and Country Ministers which was held in the Ruston District January 13-15, 1975. This event was co-sponsored with the South Central Jurisdiction Council on Ministries.

Advance Specials

The Board has constituted a committee which is charged with the responsibility for developing criteria for establishing those ministries that will be designated as Advance Specials within the Conference. There is also being produced a brochure which will list all of the Advance Specials of the Conference. Mrs. Inez Chrisentery, staff member of the Conference Council on Ministries who has been assigned to the Board of Global Ministries, has been asked to work with the Rev. Garland Dean, Jr., Conference Missionary Secretary, and the Committee on Promotion and Cultivation, in promoting and cultivating financial support for the Conference and General Advance Specials. Those Advance Specials which we recommend for approval are:

- Community Service Center, New Orleans
- Dulac Community Center, Dulac
- Hughes Methodist Center, Baton Rouge
- Louisiana 1000 Club
- Lafon Home, New Orleans
- McDonnell Methodist Center, Houma
- New Orleans Metropolitan Ministries
- People's Community Center, New Orleans

St. Mark's Community Center, New Orleans
 Retired Ministers Home, Inc.
 Sager Brown School, Baldwin
 Scott Chapel United Methodist Church
 Shreveport Metropolitan Ministries
 Spanish-Speaking Ministry, New Orleans

We further recommend for approval the following Jurisdictional Advance Special goals:

Rio Grande Conference	\$6,000.00
Oklahoma Indian Mission	8,000.00
Lydia Patterson Institute	9,000.00

It is the purpose of the Board to correspond regularly with those missionaries who are related to the Louisiana Conference. Mrs. Dorothea Brown Cooper, one of these missionaries related to Louisiana Methodism, spoke briefly concerning her work in Monrovia, Liberia, at the January meeting of the Board. Mrs. Cooper also itinerated the Conference, and part of the expenses of this itineration were borne by this Board. The budget of the Board contains an amount for future similar itinerations of the Conference by missionaries.

United Methodist Commission on Relief

The Board, through the Conference Missionary Secretary, participated in the promotion of the offering for the relief of victims of the hurricane in Honduras. We wish to commend the Conference and the Conference Committee on Disaster Relief for the generous response to this appeal. We understand that the Louisiana Conference gave more than any other conference in United Methodism.

A part of the funds raised was used to defray the expenses of a work team from Louisiana and Alaska which went to Honduras to engage in relief activities.

Louisiana Interchurch Conference Report

The Louisiana Interchurch Conference is the major ecumenical organization in the state of Louisiana. Constituted by all the Roman Catholic dioceses and seven major Protestant Communions, this body is presently working on a program of Ministry to the Aging in which an effort is being made to help local church congregations become more effective in the administration of this important ministry.

There are 20 million persons with talents, skills, experience and time. The Church enjoys the trust of the elderly more than any other agency. As we work within the context of the United Methodist Church to deserve such a tribute, let us remember that we are sharing this thrust with Episcopalians, Christians (Disciples of Christ), Lutheran Church in America, Presbyterians U. S. and U. S. A., Society of Friends, United Church of Christ and all Roman Catholics in the state.

Then, if United Methodists are incurably ecumeniac, let us use this ministry to the aging to cause a larger amount of love and light and strength to dwell upon and within the lives of these senior citizens and brethren who mean so much to us.

Suggestions which any church, large or small, urban or rural can put into existing programming already in effect may be obtained by writing the executive director at 1122 Broadway, New Orleans, La., 70118.

Robert F. Harrington
 Executive Director

Conclusion

We wish to express appreciation to those officers of the Conference United Methodist Women who are members of the Board and who have served so effectively as members of its Executive Committee. We further wish to congratulate United Methodist Women of Louisiana for overpaying their pledge to Missions during the fiscal year 1974.

Our sincere thanks to Dr. R. Leonard Cooke, Conference Statistician and Treasurer, who so efficiently handles the funds of this Board and promptly reports to us our financial status.

REPORTS OF HEALTH & WELFARE INSTITUTIONS

Glenwood Hospital

Glenwood Hospital of West Monroe is in its thirteenth year of operation. We have expanded from 100 beds to 175 beds and now have plans to expand the Hospital to over 200 beds.

This is a Methodist institution, and we should like for you to know what we are doing. We have recently put in modern x-ray equipment, including xeromammography and nuclear medicine. We rendered 49,055 days of patient care to our Area in the past year. We have 511 full- and part-time employees, with a payroll of approximately \$3,115,000 per year. We are putting into the economy of the West Monroe-Monroe Area in excess of \$6,000,000 a year.

Glenwood Hospital has always made its own way and it has never been necessary for us to ask the Conference for any type of financial help, and I am pleased to say today that we are not asking now for your financial help. We do ask for your continued goodwill and prayerful support of Glenwood Hospital.

Not only to we feel that we are meeting the health needs of our Community, we also help young people in helping to find the direction in which they would like to go. We have several people in our Area who worked as students and orderlies who are now practicing physicians. We have had many students who are now practicing Registered Nurses. We feel that this is also a very important aspect of a community hospital.

Executive Director

Lafon Home

The Home is completing in late April, a renovation program designed to meet current Fire Marshal requirements. This has cost \$50,000.00. This work will satisfy the minimum standards of the Life Safety Code.

Currently the Home has met the required staffing pattern established by the State Department of Hospitals.

The Home has achieved affiliated status with the Certification Council of the Health and Welfare Ministries Division of the Board of Global Ministries of the United Methodist Church. We are also members of LNHA, ANHA, and AAHA. All these agencies work for the best interest of aged persons and nursing homes.

Our current license is for 89 persons. The average age is 68.9 years. The major and most pressing obligation on the Home is to rebuild our facilities. Our present plant must be replaced because we can not continue to meet changing and rising standards set by Local and Federal governmental agencies.

The Home is grateful for the support given by the Annual Conference and trusts

with every sincerity that that support will increase in the current and following years.

Respectfully Submitted,

Administrator

II. SERVICE STATISTICS

During 1974 the Home was consulted about the needs of 176 children. The Home provided physical and financial care to 105 children during the year. This is an increase of 11 children over 1973. During the year, 21 new residents were placed on campus, while 33 were released from the Home's care.

III. SUPPORT AND FINANCE

The Louisiana Methodist Children's Home receives NO financial support from the government. Its chief source of income is the free will giving of the Methodist people. Some additional income is received from Social Security, the Veteran's Administration and family payment.

The Methodist Home Hospital

The new ministry of the Methodist Home Hospital has proven to be a much needed and valuable ministry. Even though the ministry is designed to give emergency and temporary concerned care to abandoned, abused, neglected, and needy children, we feel that it will be of permanent value to the children served. It has also been very valuable to the Division of Foster Care Services because it gives time for in depth study of facilities for permanent placement of the children.

Because of the great need for this ministry the number that the Home has been licensed to care for has been increased from 50 to 60 children with the expectation of having between 45 and 55 children in the Home at all times. At present, March 30, 1975, there are 50 children in the Home. During the twenty months that the Home has received children, 421 have been placed in the Home of which number 181 have been black and 240 have been white. Of this number 99 were abandoned, 59 abused, 103 were neglected and 160 were needy.

To provide this ministry in 1974 cost \$276,000.00. The state purchases care for these children but it does not cover but approximately 60% of the total cost. For this reason it is obvious that if this ministry is to continue every United Methodist Church must accept an amount equal to 4% of the pastor's salary to support the Methodist Home Hospital. We sincerely appeal to ministers and laymen to urge their congregations to accept the asking for the Methodist Home Hospital.

Respectfully submitted,
Richard E. Walton, Superintendent

Methodist Hospital, New Orleans

We request the Annual Conference to approve the following:

1. The reappointment of Reverend John Koelemay as Chaplain and Director of Development.
2. The observance of May 16, 1976 as Methodist Hospital Sunday with special offering for the hospital's "Good Samaritan" Fund.
3. The election of the Board of Directors. (Persons to be named at a later date.)

Notice is hereby given that a copy of the 1974 Annual Report of Methodist Hospital will be in your packet at the Annual Conference. You are invited to read it carefully, noting the great progress that has been made by Methodist Hospital. The "Program of Progress" has been a great success. We are proud to serve Christ and the United Methodist Church.

In 1974 Methodist Hospital celebrated its sixth anniversary of patient care.

In this year the hospital emerged as the center of health care services in the New Orleans East community as well as continuing to serve increasing numbers of patients from southern Louisiana and the Gulf Coast. Throughout the year the hospital has continued to maintain, support and build on its initial contribution to

the community while holding consistent with its primary objective of providing the best in patient care as it matches the pace of medical and community advances.

The hospital remained a forerunner among area hospitals with the introduction of highly specialized diagnostic equipment including: Ultrasound and xeroradiography, the latest in x-ray equipment; a telemetry system in the coronary care unit which extends the patient's care as well as aiding in diagnosis; several types of equipment added in the lab provide faster and more accurate methods of diagnosing patient specimens; and the respiratory therapy department has also added analyzers to broaden its services.

Throughout the year the hospital's Inservice Education department maintained a full service of programs extending far beyond its orientation programs and training for nursing personnel. The department increased staff and expanded facilities to meet the growing demand of the hospital for training programs related to the employee's job as well as orientation of new employees. And as an educational service program for the community, the hospital offers a three week series of pre-natal classes every other month.

The hospital also continued to maintain its two year School of Radiologic Technology and to participate in a cooperative program with Delgado University, training four respiratory therapy students for six months.

The year saw an increasing number of patients at Methodist Hospital. The hospital functioned at full capacity throughout most of the year with elective patient admissions requiring four to six week waiting periods. Emergency treatments and outpatient visits reached a record high.

To assure the patient of the most comfortable stay possible, the hospital developed the position of patient representative to visit patients daily and to assist with any special problems.

At the end of the fiscal year a program entailing 130,000 square feet with provision for 155 additional beds and expansion of ancillary services awaited approval from state and local health planning agencies. Approval was received in November and a seven and a half million dollar construction contract was awarded with construction scheduled for completion in 24 months. Financing will be accomplished through private lenders.

As Methodist Hospital continues its rapid progress, the future of health care in New Orleans East and areas beyond is a promising future. Methodist Hospital associates are happy indeed for the opportunity to serve.

Shreveport Metropolitan Ministry

After lecturing to a group of women on poverty at the Riverside Church in New York City, a few years ago, Dr. George Webber overheard one lady tell another: "That man is enthusiastic but isn't he an awful liar." In a land of opportunity, every man can be a success, perhaps a few do fail, but that is clearly their fault. This statement is indicative of the beliefs of John and Mary Doe about poverty in America. Shreveport Metropolitan Ministry of the United Methodist Church is not a church sponsored poverty agency, but it is a ministry of the church which has set the following purposes as its guidelines for action:

- A) To promote a better understanding among all persons in the community — poor, rich, Black, White and Brown;
- B) To contribute to the raising of the cultural standards and living conditions of people-work to dispell myths in human relations and human conditions in order to better help persons to deal with their common human problems;

- C) To encourage individuals and local churches to engage in a special ministry — serve as a resource for the local church to utilize as it develops outreach mission projects — day care, neighborhood centers, workshops on Social Issues, etc.;
- D) To generally infuse moral and spiritual values into all of its activities — the mandate of reconciliation of Jesus Christ is the guiding light for the program.

The Council of Shreveport Metropolitan Ministry is composed of ministers and lay persons on the Shreveport District who are committed to working to fulfill the forestated guidelines for action. During the past conference year this program has served the Shreveport Community and the larger community in a variety of ways. Some of the more significant activities in the life of Metropolitan Ministry during the past year have been the following:

- A) This ministry has helped two United Methodist Day Care Centers to qualify for a federal food assistance program for children and also for a federal non-food assistance program for Day Care Children. Two other United Methodist Day Care Centers are expected to qualify for these programs by June of 1975;
- B) The Director of Shreveport Metropolitan Ministry has been appointed by the Mayor's of Shreveport and Bossier City to work on a Community Task Force to determine the need for a Youth Services Bureau in this area. If the need does exist the Task Force should design the most effective program to meet the area needs;
- C) Sponsored human relations workshops and cultural enrichment programs;
- D) The Metro-Ministry Information Service has been well received by churches and community organizations;
- E) Metro-Ministry has participated in an Urban Ministry survey in Shreveport, Baton Rouge, New Orleans, Houston, Dallas, and Fort Worth, Texas in order to determine how Urban Ministry can more effectively meet the present needs of local churches in Urban areas;
- F) Metro-Ministry has helped to organize a Jurisdictional-Information Contact network;
- G) Contributed to the raising of the cultural standards and living conditions of people through interacting with various church and community organizations around common issues — drugs, Police Community Relations, Public Education, Alcohol, Housing and Human Relations;
- H) Sponsored Inner City Sports Activities;
- I) Provided Counselling Service;
- J) Supported church and community neighborhood center programs

Shreveport Metro-Ministry has recently surveyed the particular mission program needs of local churches on the Shreveport District and have set in motion particular programs which are designed to meet their special needs. This ministry in Shreveport has operated on a very small budget but with the help of God and concerned Christians within the Louisiana Conference we will be able to better serve God in today's society.

We have property in the Lake Charles District: Moss Bluff and Jennings (a small house is located in Jennings and is being rented). We are in need of property in the HAMMOND DISTRICT.

A second home is under construction in Rayville on a 50/50 basis with the Rayville Church. This church is doing a wonderful thing by paying one-half the cost of this home. We are deeply grateful to the fine people in Rayville, the pastor, Reverend J. Taylor Wall, and the District Superintendent, Reverend Clyde Frazier, for their support.

First United Methodist Church, Baton Rouge has donated their former parsonage to the Retired Ministers' Homes Board to be occupied by Dr. & Mrs. Dana Dawson. We are very grateful for this generous action.

The Shreveport District is donating the home formerly occupied by Mrs. F. M. Freeman to The Retired Minister's Homes Board. This brings the total number of homes operated by this conference to 20 with a six unit apartment complex.

The response from the people of Louisiana this past year was as follows:

Alexandria District	\$ 1,337.05
Baton Rouge, District	1,528.26
Hammond District	767.53
Lafayette District	17,097.01
Lake Charles District	1,471.97
Monroe District	1,845.03
Natchitoches District	126.25
New Orleans District	1,399.40
Ruston District	1,802.32
Shreveport District	2,699.16
Conference at Large	185.00
	<u>\$30,258.98 *</u>

* Of this figure \$15,501.00 was from the Franklin Church — one half of the cost of the new home there. \$14,758.76 reflects the regular giving for the year.

The only means of support for this service in our conference is through donations. This can be done by small or large contributions: remembering this cause in your will; making gifts of property; or, paying one-half the cost and building a home in your town. The Board welcomes request from a minister, layman, church or district to pay one-half the cost and build a home. ALL MEMORIALS and HONORARIUMS are recorded in the BOOK OF MEMORIES located in the Ruston Apartment parlor. This book will be on display at the Annual Conference.

The Conference Council on Ministries accepted as one of its prime priorities, "Concern for Persons" with particular emphasis on the aging. The task for coming up with a workable plan for a Retirement Complex was turned over to The Health and Welfare Ministries Board and The Retired Ministers' Homes Board, Inc. At the January meeting The Health and Welfare Ministries Board asked the Retired Ministers' Homes Board to assume this responsibility. We hope to have tentative proposals relative to building a retirement complex ready by the meeting of the Annual Conference.

Respectfully submitted,
James L. Adams, Chairman

REPORT OF CONFERENCE LAY LEADER

This report is prepared in accordance with the requirement of the Book of Discipline for a report of the Conference Lay Leader. The report also constitutes the report of the work of the Conference Lay Leader in support of the general program of the United Methodist Church and the Annual Conference in cooperation with all Lay groups of the United Methodist Church as well as Lay individuals and the ministerial structure of the Church.

The Conference Lay Leader has a particular task of, "... responsibility for becoming increasingly aware of the work of the Laity and achieving the mission of the Church."

This Annual Conference year has been a year of evangelism in which the Annual Conference has been engaged in an evangelistic task to increase the knowledge on the part of Methodists of the mission of the United Methodist Church and to increase the membership of the United Methodist Church in the Louisiana Annual Conference.

The Conference Lay Leader and the Board of the Laity have been involved in this

effort through speaking engagements, correspondence, publications and a general promotion in education on the part of the Laity in the field of evangelism. In connection with this I have, in the course of the Conference year, visited every District in the Conference, spoken in every District in the Conference, spoken at twenty Laity Day Services and participated in other types of programs throughout the Conference. I have, as a result, been able to be at my own Church only eight times in the Conference year.

Various Districts have also been deeply involved in the same type of program. Each District promoted the Laity Day Program and nearly all Churches in the Conference observed in some fashion, either on the day chosen for that observation or on some subsequent Sunday. The Districts of the Conference have been deeply involved in other programs such as District Retreats, District Schools of Theology, and in particular District Schools of Lay Speaking. The latter has been promoted especially this year in that there is a great need in this Annual Conference for assistance of the Clergy in conducting services in the Churches of the Conference.

The Board of the Laity has also invited speakers to its own programs concerning evangelism and has assisted in the promotion of the work of those Boards and Agencies responsible for the promotion of evangelism. We have promoted the Ashram, the "Living in the Now Conference", and the various evangelistic programs being used throughout the Conference. Lay Witness Missions continue to be a vital and viable part of the promotion of evangelistic work of the Board of the Laity.

The work of the Board of the Laity is outlined specifically in paragraphs 1049 and 1052 of the Book of Discipline. In connection with that there are several specific areas in which the Board of the Laity has been working this year.

The One Thousand Club is a major project of the Board of the Laity. This year we are beginning our work in trying to get the program to grow in membership so that each of the three calls will be for \$20,000.00 instead of \$10,000.00. Most of the Districts have already accomplished the doubling of their quota and we believe that every District will be able to do so.

In addition, the Board of the Laity continues to sponsor the Howard Daughenbaugh Scholarship Bond which was established as a scholarship program for young ladies seeking full time Christian service through Centenary College and Dillard University. Mr. John Jackson, the former District Lay Leader of the Natchitoches District has accepted the position of chairman of this committee.

Another major emphasis this year has been the reorganization of that portion of the work of the Board of the Laity known as United Methodist Men. This work is one that we have been deeply involved in for many, many years. However, a new emphasis has been placed on this work in the general church level and we are doing the same in Louisiana. Eloi Primeaux has been elected President of the United Methodist Men and is engaged in that project. This has already resulted in a growth in the number of United Methodist Men's Organizations and a marked increase in the understanding and value of this important work.

One of their projects this year is to sponsor the Laymen's Retreat which will be held in Pineville, Louisiana, this year on June 28th and 29th. The format for Retreat will be Evangelism.

In accordance with the directive of the Annual Conference in adopting the Structure Study Report, the Board of the Laity has adopted new by-laws which are attached hereto as a part of this report.

This Conference has made as one of its priorities "Concern for Ministers." We should not forget our concern for our Ministers. Keep in mind, at the Conference Board of the Laity, Wednesday morning a resolution was passed urging every Administrative Board and Pastor Parish Relations Committee to insure a minimal

cost of living increase for every minister, ample paid vacations, and funds for continued education.

Under the Discipline the Officers of the Conference Board of the Laity, except for the Conference Lay Leader, are elected by the Conference Board of the Laity. These are:

Vice Chairman - Allen Brown

Assistant Conference Lay Leader for Lay Life and Work - Hubert Blanchard

Assistant Conference Lay Leader for Stewardship and Finance - Willie Joseph

Secretary-Treasurer - John Trotter

I am pleased to advise that Eloi Primeaux has been re-elected as President of the United Methodist Men.

Under the Discipline the District Lay Leaders are nominated by the Districts and elected by the Annual Conference. The Conference Lay Leader is nominated by the Conference Board of the Laity and is elected by the Conference.

These names are:

Conference Lay Leader - Tom H. Matheny

Alexandria District - Charles S. Goodgame

Baton Rouge District - O. W. Marrs

Hammond District - Nick Saladino

Lafayette District - Woodrow F. Atkinson

Lake Charles District - Ed B. Cloutman

Monroe District - Jack Dew

New Orleans District - Milton J. Cook

Ruston District - Ed H. Gulley

Shreveport District - C. E. Bloxom

The complete membership of the Conference Board of the Laity is attached to this report.

Mr. Chairman, I move the adoption of the report which carries with it the election of these officers.

Respectfully submitted,
Tom H. Matheny

**Report No. 5 of the Board of the Ministry
Pastoral Counseling & Referral Services**

INTRODUCTION:

The long talked of Counseling Service for ministers and their families in the Louisiana Conference is now making its beginning.

The 1972 Annual Conference adopted a report including this statement: "Believing that the need of ministers and their families for personal counseling is very real and rapidly increasing; we recommend that a long range goal be adopted to make such counseling service available to every member of the Louisiana Annual Conference and their families."

The 1974 Annual Conference adopted a report including this statement: "The need to have professional counseling help for any emotional, personality, marital and family, or professional problem is present. To meet this need the following plan is proposed: 'We recommend that a pastoral counseling service be made available . . . by taking these steps . . . to establish phone numbers at the residences, or offices, of designated counselors to be published in a generally distributed brochure. Counselors will be available, or information concerning their availability, at these numbers . . . to arrange to have the cost of this service provided . . . we recommend that the records of those who use this service and all counselor's records be absolutely closed to everyone. No information will be released to anyone except when requested in writing . . . by the person involved.' "

THE BEGINNINGS:

All of the above recommendations have now been met and we are ready to begin. It has been decided to start by assigning two ministers in each district to serve as contact persons. These contact ministers have, and will continue to receive special briefing and training on handling requests for counseling. They will be available personally for counseling and will also have information on professional psychiatric and psychological counselors who are available.

Ministers and members of their families may call on any one of these persons in, or outside, their own district and may give their names, or may remain anonymous in their requests for information on psychiatric and psychological counseling.

All contacts will be kept absolutely confidential.

FINANCIAL ARRANGEMENTS:

Counseling on the part of the designated contact minister will be on a volunteer basis at no cost to anyone.

Counseling by professional psychiatrists or licensed psychologists will be paid for by the Annual Conference Insurance program up to 50 sessions per year at \$20 per session.

OTHER MEMBERS:

Ministers who wish to receive information on counseling members of their own congregation, or recommendation to their members regarding professional psychiatric or psychological counseling may contact these same designated ministers in the Conference. The financial assistance mentioned above is available only to ministers and their families and not to laymen or other persons who are not members of the Louisiana Annual Conference and participating in the Conference Insurance Program.

YOUR SUGGESTIONS;

This is a new program in the Conference sponsored by the Board of Ministry and it is the earnest wish of the Board that it serve a useful purpose. It has been realized from the very beginning that these are very delicate matters and the plan must be worked out very carefully if it is to serve a useful purpose.

REPORT OF THE BOARD OF PENSIONS**A. Annuity Rate and Conference Pension's Apportionments we recommend:**

1. That the funded annuity rate for 1976 be continued at 1% of the average Conference salary as indicated in the most recent JOURNAL, less the annual cost incurred by the Board of each annuitant's insurance premium, provided that the annuitant's payment not thereby be reduced below \$85 per service year. (Average Salary: \$9,622)

2. That there be apportioned to the charges of the Louisiana Annual Conference the amount of \$550,000 (an increase of \$15,000) pro-rated according to the Conference decimal. (Note: the \$85 annuity rate has been in effect since January 1, 1975, at no increase in apportionment to the local church for 1975.)

B. Minister's Reserve Pension Fund [MRPF]

1. We recommend that each minister personally contribute the equivalent of 3% of the average Conference salary to this fund. We request the Annual Conference approval of the following resolution:

RESOLVED, that the General Board of Pensions be requested to adjust the present regulation to make the 3% personal contributions to the MRPF permissive rather than mandatory.

However, because of the highly desirable nature of such contributions, we strongly urge that the voluntary personal contributions be made with regularity.

2. If the minister desires to add to his personal account above the 3% indicated, he may do so: (a) by depositing annually the equivalent of 6% of the average Conference salary to his personal account; (b) by having his employer make direct deposits in a **tax-deferred annuity account**, in accordance with U.S. Federal Government regulations. Funds thus deposited in either account are currently drawing interest at 6.5%. (Further information concerning the tax-deferred deposit plan may be obtained by writing Dr. Robert J. Yunker, GENERAL BOARD OF PENSIONS, 1200 Davis Street, Evanston, Illinois 60201). Beginning in 1976, there will be a column on the pastor's Conference Report indicating deferred personal income payments to the MRPF.

3. Any minister who was delinquent in his Pension Assessments prior to the Conference entry in MRPF will be charged 5% simple interest on the unpaid balance which, with accrued interest, will be withheld from his annuity upon retirement or earlier decease. (This is a continuation of the policy in effect for previous year).

4. In the event that a church is delinquent in its apportioned pension payment, the amount shall be charged against the annuity account of its minister at the time of such delinquency and shall be deducted from his annuity claim at the time of his retirement or prior decease.

5. There shall be apportioned to each agency or institution served by a minister under Special Appointment with annuity claim upon the Conference the sum equivalent to 12% of the average Conference salary; and said apportionment shall be paid to the Conference Treasurer no later than December 31.

C. Lay Employees Reserve Pension Fund

Recognizing the need for an adequate program for Lay Employees of the local church and/ or church related agencies and institutions we urge all such employees to adopt the Lay Employees Reserve Pension Fund, a program of the General Board of Pensions for full-time Lay Employees. For further information, please contact the General Board of Pensions, as indicated above.

D. Hospitalization and Medical Expense [HMEP] and Death Benefit [DBP]

1. After a deductible of \$50 per year, per person covered, 80% of medical and physician's costs will be covered. The first \$500 cost of hospitalization (based upon semi-private room) will be paid in full. After that, 80% of hospitalization will be paid. (Necessary insurance forms may be secured from Travelers Insurance Company, 230 Loyola Avenue, New Orleans, Louisiana 70112).

2. Monthly premiums, beginning June 1, 1975, will be as follows:

Under Age 65

Minister Only	\$24.40
Spouse	53.84
Employee and Dependents	78.24
Widow	36.44
Child or Children	16.56
Widow - With Children	53.00

Over Age 65

Minister Only	9.20
Spouse	9.20
Employee and Dependents	18.40
Widow	9.20
Widow - With Children	25.76

3. All participants **OVER AGE 65** must enroll in Medicare and Medicare (where applicable) in order to obtain Conference HMEP benefits.

4. Death Benefit:

a. **Minister:** The coverage for the minister under the DBP amounts to 225% of the average Conference salary up to age 47. After age 47, the amount received at the minister's death decreases 7½% per year until age 68, or retirement. Thus, the DBP benefit will not decrease below 67½% until age 68. From age 68 to 72 the benefit becomes 60%. After retirement, it becomes 30% and remains thus.

b. **Spouse:** Coverage in the event of the death of a spouse (minister surviving) is the equivalent of 15% of the average Conference salary, except in the event of the death of a spouse of a retired minister the death benefit is the equivalent of 7½% of the average Conference salary.

c. **Other Dependents:** Information concerning DBP provisions for children (educational) and for adult children (disability) may be obtained from the Conference Board of Pensions Executive Secretary, P.O. Box 4303, Shreveport, Louisiana 71104.

5. Cancellation of insurance coverage:

When a member of the Plan becomes in arrears on premium payment, in excess of two months, his policy will be cancelled; and he may only be reinstated at the discretion of the Executive Committee, after paying his amount in arrears, plus one month's premium. He must also file a current medical report with his payment (A member should be aware that such a current report might deprive him of coverage for certain existing ailments).

6. Recommendations:

That the local church pay one-half and the minister pay one-half of the HMEP

and DBP premiums. These premiums are to be paid monthly or quarterly in advance.

That our Board of Pensions re-imburse (upon receipt of vouchers) the necessary moving expenses incurred by ministers when they retire, up to the maximum amount of \$600, and the moving expenses of surviving annuitant(s) (who must vacate a parsonage) of a minister who dies while in an effective, associate, or probationary relationship, and of a full-time Lay Pastor under appointment.

That each district superintendent assume the responsibility of informing all new Conference appointees, in his district, relative the HMEP and DBP; further, that the district superintendents assist them in the completion of applications for the desired participation in the program; and that the Chairman of the Board of Pensions be responsible for reminding the district superintendents of their responsibility immediately subsequent to each session of the Annual Conference.

7. Annuitant's Housing Allowance, A Resolution:

WHEREAS, the rental value of a dwelling provided to a minister of the gospel is exempt from tax (IRS Code of 1954, Section 107, Reg. Paragraph 1.107-1,2) as a rental allowance to the extent that the allowance is used to rent or provide a home; and whereas a retired minister is provided a home, directly, or through the annuity provided the minister and/ or the spouse of a deceased retired minister in recognition of the minister's past services which were the duties of a minister of the gospel in his denomination,

BE IT RESOLVED, that a sum not exceeding \$3,600 of the minister's (and/ or spouse) pension and/ or other Conference designated provision for domicile is hereby declared by the Louisiana Annual Conference of the United Methodist Church as excluded, under the above-cited IRS code, from taxation to the extent that it is actually expended for rent, mortgage payments, interest, furnishings, utilities, tax, insurance, repairs and maintenance, and in any other manner as directly related to the provision of a residence for said person or persons).

REPORT OF THE CONFERENCE BOARD OF TRUSTEES

Report No. 1

The Conference Board of Trustees has implemented all actions of the Louisiana Annual Conference in regular session, May 28-30, 1974. These will be carried in Report No. 2 of this Board.

Our Board is greatly concerned that annually our Conference approves of the abandonment and sale of several pieces of church property and again appeals to the District Superintendents and the District Boards of Church Location and Buildings to exercise caution and hesitancy in disposing of valuable church properties in their respective districts, if it has any potential value for church use in the future.

The maintenance of the episcopal residence is now the responsibility of this Board and is under the supervision of our Episcopal Residence Committee. The chairman of this committee, Allen Brown, reports that the residence is in good condition and that the housing needs of our Bishop and his wife are adequately met by this Conference. The residence is now in its twelfth year and this Conference continues to receive from Bishop Crutchfield his housing allowance which more than covers the monthly payments on the residence. A detailed financial report and audit was filed with the Conference Council of Finance and Administration at the close of 1974.

The legacy of valuable commercial property in downtown Baton Rouge bequeathed to the "Retired Ministers Fund" of our Conference by Mrs. Nell Parker Stipe has been reported to the Conference on previous occasions. To this date the legacy has not been delivered, but it is anticipated that delivery to the Board of Trustees will be effected at an early date. The wording of the disposition contained in Mrs. Stipe's testament has caused some doubt as to her ultimate intention, and, as a result both the Retired Ministers Homes Board, Inc., and the Conference Board of Pensions have claimed the legacy. Happily these two respected Boards have conferred several times and have met with the Board of Trustees and have informed us that they have reached an accord, and have asked this Board to make the following recommendation to the Conference:

Recommendation: That when the legacy is delivered and title vested in the Board of Trustees, that the Board of Trustees shall place title in the name of the Conference Board of Pensions, who shall assume full responsibility for its management and administration; when title to the property is reposed in the Conference Board of Pensions it shall forth pay to the Retired Ministers Homes Board, Inc.,

the sum of fifty thousand and no/ 100 (\$50,000.00) dollars, and in consideration of such payment the Retired Ministers Homes Board, Inc., shall renounce and disclaim all claims to the legacy, and accept such payment in full, compromise settlement of all claims it has or may hereafter possession to the said legacy or any part thereof. The funds so received by the Retired Ministers Homes Board, Inc., shall be used in furtherance of its building programs.

The Conference Board of Trustees recommends the approval of the proposed settlement, and when the legacy is received, it be authorized and empowered to convey the immovable property comprising the same to the Board of Pensions and that the plan of settlement herein outlined be approved and ratified by this Annual Conference.

A financial statement of all funds received and disbursed by the Board of Trustees during the past administrative year is attached and made a part of this report.

Respectfully submitted,
Benedict A. Galloway, President
W. D. Cotton, Secretary-Treasurer

Report No. 2

I. This report supplements Report No. 1 in order to report to the Conference, in detail, the actions of the Board of Trustees on certain specific matters which have been, heretofore, referred to the Board for necessary action, and contains our recommendations on certain other matters requiring Conference action:

1. ESTHERWOOD CHURCH — LAFAYETTE DISTRICT — As directed by the 1973 Annual Conference, the Estherwood Church property was sold for \$3,500.00 and this amount transferred to the Lafayette District Board of Missions.
2. BETHEL CHURCH — RUSTON DISTRICT — As directed by the 1974 Annual Conference, the Bethel Church property was conveyed without monetary consideration to the Hurricane Cemetary Association.
3. SHILOH CHURCH — MONROE DISTRICT — As directed by the 1974 Annual Conference, the Shiloh Church property was sold for \$100.00 and this amount transferred to the Grayson United Methodist Church.
4. THE INN, INC. — We are pleased to report that after all indebtedness on The Inn, Inc., was paid off, the remaining \$36,408.58 was sent to the Conference Treasurer and credited to the account of the Conference Board of Global Ministries, with the proviso that in so far as practicable this money be used in support of those specials, causes, and concerns of the United Methodist Women of the Conference.

II. With the consent of the Bishop, the approval of the District Superintendents, and the concurrence of the District Boards of Church Location and Building, we recommend the abandonment of the following churches and church property:

For protection of conference records the Commission proposes to microfilm its most important documents, minimizing storage and lessening damage from handling original documents. This machine may also be used to microfilm local church materials, the original of which the local church wishes to retain, thus centralizing all Conference records.

BICENTENNIAL COMMISSION - PRE-CONFERENCE REPORT 1975

A summary of the action of the Bicentennial Commission of our Louisiana Annual Conference — a commission authorized by the Council of Bishops, the General Board of Discipleship, and the National Council of Churches. This is a summary of the work of the commission at its initial session.

The commission recommends the following for the year 1976:

1. That Bicentennial Night at Annual Conference be established as Wednesday, June 2, 1976, with an appropriate celebration and commitment service prepared on that night.

2. Bicentennial Sunday for Louisiana Methodism will be on Aldersgate Day, Sunday, May 23, 1976, in which a suggested worship service for usage in all congregations will be provided by the Conference Commission on Worship.

3. The Bicentennial Lectures are to be held in Rayne Memorial Church as the Jones-Cadwallader Lectures April 4, 5, 6, 1976, with Bishop Finis Crutchfield the lecturer.

4. Each congregation is asked to determine and write its history, filing the same with the Conference Commission on Archives and History prior to the session of Annual Conference in May, 1976. (About a third of our congregations have already done this.)

5. Bicentennial medallions for Louisiana Methodism are to be given to contributors to the establishment of the Foundation for the Annual Conference during the year 1976.

There were many other actions by the commission, but these do not require Annual Conference action.

COMMISSION ON EQUITABLE SALARIES AND SUSTENTATION

We, your Commission on Equitable Salaries and Sustentation (herein-after referred to as the Commission) express our appreciation for your continued support of the Equitable Salary and Sustentations Funds. These funds have rendered invaluable service to both pastors and charges.

The effective function of our Commission has been made possible by the cooperation and assistance of the Cabinet and the prompt manner in which the men involved have supplied necessary information. This we greatly appreciate and we also sincerely commend the efficient manner in which our Conference Treasurer, Dr. Leonard Cooke, has managed the funds of this Commission.

In accordance with the provisions of the 1968 Discipline of the United Methodist Church, we herein present two sections of our report, namely: I. Equitable Salary Fund, and II. The Sustentation Fund. The third section of our report will be presented at the session of Annual Conference.

I. THE EQUITABLE SALARY FUND

According to paragraph 924 of the 1968 Discipline the Commission is charged with the responsibility of studying the need for additional ministerial support for ministers of our conference and to make recommendations on how these needs will be met. The equitable salary fund is to be used in addition to other supplemental aid or income from other sources to bring the earned salary of a minister to the minimum salaries schedule set by the Conference. We feel our endeavor should be to promote more fairly the economic welfare of all pastors and reduce to a minimum the tensions inherent in inadequate incomes. In accordance with provisions of the 1968 Discipline, paragraph 924, we, your Commission make the following recommendations which include several changes from the equitable salaries schedule and policies of last conference year. These changes come as recommendations made to the Commission from a special study committee. This committee did considerable research and spent considerable time at arriving at these recommendations which the Commission adopted and are presenting for the approval of the conference.

A. The basic minimum salaries schedule for the Louisiana Conference for 1973-74 be as follows:

- | | |
|--|------------|
| 1. Student pastor without dependents | \$3,800.00 |
| 2. Married student pastor | 4,800.00 |
| 3. Full-time pastor without dependents | 5,100.00 |
| 4. Married full-time pastor | 5,900.00 |
| 5. Part-time Lay pastor | 4,800.00 |

a. The total support from the charge plus income from any outside employment must be considered in making a minimum salary grant to a part-time Lay pastor.

- | | |
|--------------------------------------|----------|
| 6. Retired minister serving a charge | 4,400.00 |
|--------------------------------------|----------|

a. The total support from the charge plus pension and/ or social security and

other income must be considered in making a minimum salary grant to a retired minister serving a charge.

7. Additional grants not to exceed \$1,600.00 will be approved based on \$400.00 per additional church and/ or \$400.00 per dependent child.

B. That annual grants approved by the Commission shall be paid in monthly installments on the basis of funds available at the beginning of the Conference year, and in the event of insufficient funds, appropriations shall be made on a pro-rata basis.

C. That, in computing equitable salary grants, the total earned income plus any mission support of the ministers shall be considered. Ministers receiving supplemental support from the Equitable Salary Fund are required to report immediately any change in total earned income. In the absence of notification by the minister, overpayments become a refundable obligation of the minister to the Equitable Salary Fund.

D. The amount to be provided by the Commission for a pastoral charge will be an amount not to exceed 30% of a minister's salary, automobile expense, utility expense allowance by the charge. Additional grants specified in A-7 may be made in addition to the 30% limitation.

E. The pastors of charges paying less than \$2,400.00 in salary and expense funds shall not be permitted to share in the Equitable Salary Fund except on recommendation of the Cabinet and concurrence by the Executive Committee of the Commission

F. That each church or charge receiving equitable salary support is expected to have an Every Member Canvass and strive to increase the pastor's support by 5%.

G. In order for a church or charge to be eligible for equitable salary support, the church or charge must pay the ministerial items (Episcopal Fund, District Superintendents Fund, Pension Fund, and Equitable Salary Fund) in the amount apportioned by the Conference Commission on World Service and Finance and also each church or charge receiving minimum salary support is expected to strive to pay the apportioned amount for World Service and Conference Benevolences.

H. At the earliest opportunity after the adjournment of Conference, each District Superintendent shall furnish the secretary of the Commission a list of ministers in his district receiving less than \$7,500.00.

I. That each pastor named by the District Superintendent shall be supplied a questionnaire which must be properly filled out and returned to the Secretary of the Commission, Rev. Don Risinger, before payments may be authorized.

J. That out of the Equitable Salary Fund, the Commission on Equitable Salaries and Sustentation pay one half of the minister's responsibility for the minister's premium to Conference Insurance for all full-time pastors or student pastors receiving less than \$2,800.00 total income.

II. THE SUSTENTATION FUND

The Commission has been charged with the responsibility by the Louisiana Annual Conference of administering the Sustentation Fund as provided for in Paragraph 926 of the 1968 Discipline of the United Methodist Church and in accordance with the provisions of the Discipline, we, your Commission make the following recommendations:

1. That each effective minister of the Louisiana Annual Conference be assessed an amount equal to one half of one percent of the minister's base salary for 1973-74, to be paid to the Sustentation Fund.

2. That this fund be used to provide emergency benefit aid to the ministers of the

Louisiana Annual Conference who may be in special need. That this emergency aid be given subject to the following limitations:

- a. The maximum amount allowed for a single emergency be \$1,000.00.
- b. The amount for a continuing emergency be determined by the Executive Committee of the Commission.
3. That each pastor and church cooperate in providing an adequate hospitalization insurance program for family protection.
4. That the Commission consider cases for emergency only upon written request including an explanation of need by a District Superintendent, physician's verification of need based on illness and the recommendation of the Cabinet.

The Commission on Equitable Salary recommends that the Sustentation Fund be put under the direction and authority of the Bishop and Cabinet. We also recommend the changing of the name of the fund from Sustentation Fund to Minister's Emergency Aid Fund.

Respectfully submitted,
Edward O. Pickens, Chairman
Don Risinger, Secretary

COMMISSION ON HIGHER EDUCATION

Campus Ministry

The Commission on Higher Education, formed during the restructuring of the Annual Conference, has as one of its major tasks to provide Campus Ministry for the universities and colleges of Louisiana. The Commission gives oversight, leadership and makes possible campus ministry on some 20 campuses throughout the state. This is done with a staff of 10 full-time ministers and 6 part-time, with Boards of Directors involving from 10 to 40 people in each situation. The Commission assists these men and Boards in many ways, including:

1. Help with securing financing
2. Developing a reporting system
3. General promotion
4. A channel for keeping in touch with the general church.

Each campus ministry unit is a unique operation. There is as much diversity from campus to campus as there is from local church to local church. The nature and emphasis of each school is different; therefore, the emphasis of campus ministry is different. On a commuter campus, the emphasis is placed on administrative and faculty personnel; on the campus where the Greek emphasis is great, a strong community spirit is felt. Some campuses are strong in the area of worship, others in theological study, some in counselling, and others see service as their mainstay. We could go on and on as we look around our state and discover what is happening.

In the midst of all this diversity, we can find the real strength and unity of campus ministry. All the various ministers minister where the need is. Campus ministry has offered, over this past year, the reconciling good news of the Gospel to literally thousands of college students, faculty, administration and other university personnel. The ability to adapt from year to year and from day to day is the unique ability of campus ministry in Louisiana. This is possible only through the trust and acceptance made evident through the fine support the Conference and Districts have offered. Campus Ministry is reaching into the heart of society and helping the message of the Kingdom to be heard and felt throughout the State.

CENTENARY COLLEGE OF LOUISIANA**President's Pre-Conference Report to the Church 1975**

Centenary College is celebrating her 150th anniversary during 1975. It has been a year marked by achievement and solid progress for the College.

We began this academic year with our first net increase in student enrollment in several years — a 10% increase. This was one encouraging sign, among many, that we have turned the corner and can face our future with greater confidence.

Another major item this year was the creation of our first long-range plan, reflecting the new, comprehensive, planning system established last year. With the full cooperation of trustees, faculty, and students, we have designed a challenging, realistic plan that will be updated every year.

This has been a significant year in terms of greater financial support. The Annual Conference generously responded to the new Centenary College Fund by contributing \$150,000 toward our operating budget. This represents an historic milestone of Conference support for Centenary, and the College is deeply appreciative. There have been several sizable gifts to our endowment fund this year, the largest of which was a magnificent \$400,000 grant for an academic chair by The Brown Foundation of Houston, Texas. We hope to announce several others like this during the year as we launch our Fund For Independence, seeking to raise \$20,000,000 of additional endowment (permanent resources) for Centenary College.

Finally, our new program in church careers has been very successful. This year has been our "shakedown cruise" and our evaluations will greatly strengthen the quality and depth of this promising program. It has created a positive response from all over the nation. We encourage Methodist congregations and individuals to "go the second mile" in their giving and support the Centenary School of Church Careers. We will be happy to discuss this matter with you at any time. The donors will gain the satisfaction of supporting one of the most exciting new ventures in Methodist higher education.

THE COMMISSION ON RELIGION AND RACE

The Louisiana Conference Commission on Religion and Race was led in a workshop on November 9, 1974, by Miss Dalila Kruger, Associate Executive Secretary of The General Commission on Religion and Race. This proved both profitable and informative to those present.

Concerns registered were:

1. How can we build bridges between people of God across denominational lines
2. The responsibilities and functioning of Conference and District Commissions on Religion and Race
3. Evaluate progress since 'merger'
4. How can we make 'merger' a reality on all levels

As an outgrowth of the full discussion of the four points above, four areas of focus are suggested:

1. A series of workshops on District and local levels to provide education, dialogue, etc.

2. Work toward a more "Inclusive Ministry" by being aware and very sensitive to human relations in all aspects

3. Organize inter-racial youth teams on the local level

4. Provide a more meaningful report at Annual Conference.

At the Convocation of Boards and Agencies (Jan. 18-19, 1975) priority was given to:

1. A retreat for all members of The Conference Commission on Religion and Race including the District Chairpersons also . . . emphasis Evangelism.

2. Workshops on District level when requested

3. Promotion of scholarships for Ethnic as proposed by the South Central Jurisdiction Task Force on Ethnic Minorities. (Letters of request should be sent to Dr. S. Duane Bruce)

4. Effectively promote Human Relations Day . . . What it is — What it is not.

5. Evaluate program proposals requesting funding from the General Commission on Religion and Race.

Again this year The South Central Jurisdiction Commission on Religion and Race will conduct a workshop at Mt. Sequoyah on July 22-24, 1975. Two representatives from our Conference Commission can attend.

An "Inclusive Church" requires the best effort of each of us and all of us.

Respectfully submitted,
Mrs. Inez W. Chrisentery

D. REPORTS OF COMMITTEES

REPORT OF COMMITTEE ON COURTESY

We express our deep appreciation to all who helped to make this fifth session of the Louisiana Annual Conference a significant and meaningful event. Centenary College has provided for our convenience through the use of dormitories, the Gold Dome and other needed facilities. President John H. Allen, Reverend Grayson Watson, Dr. B. C. Taylor and others of the Centenary staff and college community have been most cordial in providing for our physical comfort. Further gratitude goes to Shreveport's First United Methodist Church, Dr. D. L. Dykes and his staff, for hosting several of our assemblages.

Our appreciation goes also to Reverend Ray Branton and the Council on Ministries personnel for compiling the reports, coordinating the preparations for the Conference sessions and Dr. Carl Lueg, Chairman of Conference Arrangements, led in arranging the many details of our meeting. Mrs. G. M. Anderson and Mrs. Terri Finklea did an excellent job in caring for communications. We appreciated the presence of several staff persons and representatives from our General Boards and Agencies, among whom were two of our own people of Louisiana - John Herford and Don Contrill. Thanks to our D.S. for their work in planning and implementation of our program. The news media for their coverage.

All delegates, lay and clerical, and the many observers added to the spirit of this session. The delegates showed keen insight into all the deliberations of the Conference. Their patience during the necessary time lag, caused by the balloting for General and Jurisdictional Conference delegates was appreciated and of course a word of thanks to all the tellers and ushers who worked so diligently and effectively.

Since Centenary College is celebrating its 150th Anniversary, it was fitting that Centenary should have a significant place in this particular Conference. In addition to hosting the Conference, we shared in a meaningful celebration of Cen-

tenary's 150 years, the awarding of a Doctor of Laws Degree to Dr. Oral Roberts, the report of the outstanding first year, progress and future of the Centenary School of Church Careers, the announcement of the T. L. James Chair in the Department of Religion, the outstanding work in the celebration done by the Drama Department, the Music Department and the Centenary Choir.

The presence of Mrs. Crutchfield and the wives of the cabinet members gave a touch of grace to our gathering. Mrs. Oral Roberts, Richard and Patti Roberts were welcome visitors to the Conference, as were Mrs. Prince Taylor and Mrs. Irving Smith.

Through the years, our seminaries have served us well in equipping the clergy for service to the church. Representatives from these schools gave informative statements about their work and they were well received. We are deeply indebted to our theological schools.

All who shared from their life experiences in worship are to be commended. Reverend O. W. Christopher, Bishop Prince A. Taylor and Dr. Irving Lee Smith inspired us with their timely messages. The sunrise devotional services led by the Board of Laity added freshness to each day, as did all who led the daily Services of Prayer.

Special thanks is also extended to those who provided for our music. Dr. Will Andress, Dr. William Teague, Elaine Davidson, the Centenary Choir, the Shreveport First Church Choir, the Lake Charles First Church Wesleyan Bell Choir made significant musical contributions to the session.

We are grateful to Reverend Ray Branton and his assistants who are responsible for recording the minutes of the Conference and the publication of the Journal. Other highlights of the Conference were the ordination service, the Consecration of Lay Workers, the testimonies of the retiring ministers and the new probationers, the report of Dr. Purnell Bailey and our chaplains, Dr. Clyde Clarke's State of Affairs address from the cabinet, the look at the history and distinguished heritage of the Louisiana Annual Conference, the election of delegates, and the unique United Methodist warm fellowship of ministers and laypersons.

Our thanks also go to the women from Shreveport's Broadmoor Church and St. Stephen's Church who helped with the registration of delegates.

The Parsonette's luncheon was creatively hosted by the Lafayette District Parsonettes with Dr. B. Joseph Martin delivering a fine address and the Shreveport District Parsonettes gave a delightful reception for Mrs. Crutchfield.

We are indebted to all of our boards and agencies for their diligent work throughout the year and their informative manner of reporting to the Conference.

A very special note of appreciation goes to Bishop Finis A. Crutchfield, who presided over the session with warmth and masterful competence. His alertness, openness, dedication, hard work and genuine Christian Spirit have given inspiration to the Conference. We express special appreciation to our Bishop for closing our Conference with Holy Communion.

REPORT OF THE LOUISIANA METHODIST

In March of 1974 the Louisiana Methodist took on a new format as well as wider coverage of national and international religious news. It was, for the first time in fourteen years, edited in the Louisiana Conference by conference personnel. The publisher was changed to the United Methodist Reporter, a Dallas based operation which prints news for 24 conferences throughout the United States. The first issues were compiled in the Area Council office. This three month summary gives background information for the Louisiana Methodist report, 1974-75.

The office of the newly-created Area Provost assumed responsibility for the conference paper in June of 1974. The first issue edited from the New Orleans office was on June 28. As Area Provost the Reverend Ralph Cain was in charge of the publications. He secured the services of Mrs. Thelma Brett to assist in this capacity, a position for which she is well qualified having had editorial experience in other conferences. She has, since Reverend Cain's death of April 28, 1975, continued editing the paper. All correspondence relative to the Louisiana Methodist should be sent to the Area Provost office.

Because of the rising cost of labor and materials it was decided at the November 4, 1974 meeting of the Commission on the Louisiana Methodist to increase the price of individual subscriptions from \$2.50 to \$3.00 and "every-family plan" subscriptions from \$2.00 to \$2.50. It was also decided that a second page of news would be added periodically as finances permit. At the present time an extra page is included about once a quarter. However, with increased subscriptions more coverage will be made available.

A campaign, conducted from the office of the Area Provost on January 19 to February 14, 1975, culminated in 8,500 paid subscriptions. There are six churches in the Conference which use the UMR facilities to print their local church editions. Also, 425 complimentary subscriptions are sent to retired ministers, widows of retired ministers, seminary students and newspaper editors within the state. Altogether, the Louisiana Methodist newspaper has a circulation of 12,822.

Financial records show deposits of \$29,866.00 for the period from January 1 to April 30, 1975. Of this amount, \$25,726.00 was received from the 8,500 paid subscriptions and \$4,140.00 as conference subsidy. This comprises the operational budget for the 1975 fiscal year. The cost of publishing, which runs a little more than \$2,000.00 a month, is covered by subscription money. Expenses involved in editing, circulation and other related activities are paid from the subsidy.

The Commission on the Louisiana Methodist recommends that each church include the subscription cost of the paper in its budget for all its resident families. At no time in the history of publications within this Conference have we had

available the broad spectrum of religious news that we may now receive. It is our privilege and duty, as United Methodist, to be informed and, in turn, to share with others in the pluralism of Christianity at work in the world today.

No report on the *Louisiana Methodist* for this conference year would be complete without recognition of the contributions of the late Reverend Ralph Cain. It was under his editorship that the paper smoothly spanned the transitional adjustments of reorganization. It is notable that Reverend Cain pioneered in the area of publications for the Conference. In 1949, the first official Methodist newspaper was printed in Pineville, Louisiana, at the authorization of Bishop Paul E. Martin, with Reverend Cain as one of three organizers. The Reverend Cain will long be remembered for his leadership in many areas of church involvement - not the least of which will be the establishment of a Methodist newspaper for the state and, in the 1974-75 conference year, the editing of the *United Methodist Reporter's* edition of the *Louisiana Methodist*.

Respectfully submitted,
Odell Simmons, Chairman
Commission on the Louisiana Methodist

REPORT OF THE COMMITTEE ON RESOLUTIONS

The District Superintendents shall provide instruction at the preconference training sessions in the proper procedure for presenting resolutions to the committee.

Resolution I Resolution Requesting Declaratory Decision From the Judicial Council

WHEREAS, the Book of Discipline of The United Methodist Church charges the Annual Conference Board of the Ministry with certain responsibilities concerning the various classifications of ministers, and

WHEREAS, the Book of Discipline states that the Annual Conference shall take such appropriate action as it votes "upon recommendation of the Board of the Ministry", and,

WHEREAS, it is possible that the Annual Conference may have presented to it various questions and motions on classification which have not been cleared through the Board of the Ministry, and thus do not meet the requirement for "recommendation of the Board of the Ministry,"

THEREFORE BE IT RESOLVED that the Louisiana Annual Conference, South Central Jurisdiction request a Declaratory decision from the Judicial Council on the question: "Does the Annual Conference have a right to make a decision relative to ministerial classifications if there has been no recommendation from the Board of the Ministry for such classifications?"

Resolution II

We, the undersigned members of the Administrative Board of the Mangum Memorial United Methodist Church, Shreveport, Louisiana, petition the General Conference of the United Methodist Church to refrain from doing any thing that would grant to homosexuals ordination into the ministry of The United Methodist Church. And, more specifically, we petition the Conference to leave unchanged Part E of Number 3 of Paragraph 326, page 151 of *The Book of Discipline of The United Methodist Church, 1972*, which reads: "What is your understanding of the

Christian life as set forth in Paragraphs 69-77? For the sake of the mission of Jesus Christ in the world and the most effective witness to the Christian gospel and in consideration of your influence as a minister, are you willing to make a complete dedication of yourself to the highest ideals of the Christian life as set forth in Paragraphs 69-77; and to this end will you agree to exercise responsible self-control by personal habits conducive to bodily health, mental and emotional maturity, social responsibility, and growth in grace and the knowledge and love of God?"

Resolution III

We, the undersigned members of the Administrative Board of the Mangum Memorial United Methodist Church, Shreveport, Louisiana, petition the General Conference of The United Methodist Church to do nothing to weaken the position of The United Methodist Church on the matter of homosexuality as stated in Paragraph 72, Section C, page 86 of **The Book of Discipline of The United Methodist Church, 1972**. The stance we do not want weakened is put well in the last sentence of the afore mentioned Section C and reads: "... we do not condone the practice of homosexuality and consider this practice incompatible with Christian teaching."

Resolution IV

A Statement of Christian Concern

United Methodist Christians in Louisiana recognize the problems of resettlement faced by thousands of Vietnamese people now in the United States. The Board of Global Ministries of the Louisiana Conference of the United Methodist Church calls upon United Methodist individuals, groups, and entire local churches to remember the words of Jesus, "I was hungry, and you gave me food; I was sick, and you visited me; I was a stranger, and you took me in." We encourage United Methodist individuals, groups, and entire local churches to implement these words of our Lord through concrete expressions of concern, compassion, and openness toward our Vietnamese brothers and sisters during their time of uncertainty and need.

We specifically encourage United Methodist individuals, groups, and entire local churches to cooperate with efforts of the United Methodist Committee of Relief in their attempt to secure sponsors for Vietnamese children, youth, adults, and entire families throughout the nation. Sponsorship is a formal procedure requiring certification of assistance and application by individuals or groups to the United States Immigration Service. Sponsors assist Vietnamese persons with housing, employment, health, educational, and nutritional needs during resettlement.

Resolution V

A Petition To The General Conference Of The United Methodist Church From The

Louisiana Annual Conference, South Central Jurisdiction Of The United Methodist Church

We hereby petition the General Conference of The United Methodist Church to amend Paragraph 803 of The Book of the Discipline so as to be in conformity with the Constitution of the church, particularly Paragraphs 36, 39 and 40 (Articles I, IV and V of Section VII of the Constitution), as follows:

Amend Paragraph 803 of The Discipline by changing the period to a comma after the word "episcopal" in the second line of said paragraph and add the words - "provided such members shall have been members of The United Methodist Church for at least four years preceding their election," so that the entire sentence would then read:

"The voting membership of the program boards shall be composed of three categories: basic, at-large, and episcopal, provided that such members shall have been members of The United Methodist Church for at least four years preceding their election."

Resolution VI

"We realize that we have many school teachers who through their teaching make a tremendous witness for Christ and the life to which he has called his followers. We wish to commend these teachers and give them our full support as they seek to give themselves for the betterment of the young people whose lives they touch."

Resolution VII

WHEREAS, preliminary investigation by a group of concerned members of the United Methodist Church, chaired by Mrs. Hugh Ward, has revealed the need for a multi-purpose facility for the elderly:

BE IT RESOLVED that the Louisiana Annual Conference sanction the preparation, with proper consultation, a feasibility study which would demonstrate the need for an additional facility for the elderly with the following qualities:

- 1) Multi-level of caring ranging from apartments for the elderly through skilled care nursing
- 2) Be incorporated as a non-profit institution of the Louisiana Conference
- 3) Be dedicated toward quality care and rehabilitation.

E. OTHER REPORTS

REPORT OF THE AREA PROVOST

The Annual Conference of 1974 established a new job within the Louisiana Annual Conference and called it the Administrative Assistant to the Bishop. Since that action, a new designation of the term has been made and it is now called the Area Provost of the United Methodist Church in Louisiana. On page 80 of the 1974 Journal under Article 5, Administrative Assistant, there are six paragraphs dealing with the over-all responsibilities and duties of the Administrative Assistant to the Bishop. A more detailed job description than is included here was furnished the Provost by the Structure Study Committee. During the first months in this position the Provost was guided not only by the job description but by the Bishop in the performance of his position. Included, among other things, were numerous preaching engagements and participation in ministers' "We Care" missions. Visits were made to the following seminaries: Perkins, Candler, Gammon, St. Paul, Iliff, Asbury and the New Orleans Baptist Seminary, plus numerous meetings with the Perkins intern program per-

sonnel. As Conference Publicity Chairman, the Provost served as editor of the Conference pages of the LOUISIANA METHODIST, and with the help of the Board of Commissioners of the LOUISIANA METHODIST, carried on a campaign for circulation for 1975. In connection with this public relations work, numerous appearances were made at meetings of the TM/ UM REPORTER group in Dallas.

A very large part of the time has been spent keeping in touch with the seminary students and relating their well-being to the Conference. The Provost would like very much for people in the Conference to keep in touch with the seminary students by letters, visits, bulletins and telephone calls. There is no sickness like homesickness. Students a thousand miles away from home respond with much warmth, enthusiasm and appreciation to any contacts from home, friends and churches.

I have related this office many times to various important program activities of the Louisiana Annual Conference, particularly the Louisiana Inter-Church Conference, and have met with the boards of several of the Conference institutions. As liaison to the laity of the Conference, the Provost has worked closely with the Board of the Laity and the UMW District and Conference organizations. The Provost has participated in 27 different churches, preaching sermons, administering communion, attending funerals, and participating in the dedication of churches and furnishings of churches. The Provost has interviewed many prospects for membership in the La. Annual Conference.

This has been a year in which my confidence in the co-operative spirit of the Church has been strengthened over and over. The UMC is a busy Church, and the Louisiana Conference is a busy Conference, but the business is about the right things. As we move into a new year let us move with a spirit of love and hope that our part of Christ's great Kingdom shall shine as it has never shone before - and serve as it has never served before.

The Provost office is served well by two faithful Methodist women - Mrs. Thelma Brett, who is in charge of composition of the Conference pages of the LOUISIANA METHODIST, whose membership is at First Methodist in Slidell, and by Mrs. Shirley Jakway, office secretary, whose membership is at St. Luke's in New Orleans.

REPORT OF LOUISIANA MORAL AND CIVIC FOUNDATION, INC. MARK A. LOWER, EXECUTIVE DIRECTOR

This has been a good year for the Louisiana Moral and Civic Foundation. In fact 1974 was the best year in our history. Financially, our total income was \$133,121.00 — more than double the income of 1970.

Since 1951, this Foundation has played a vital role in more than one hundred fifty local option elections, eighty-five per cent of these have been won by the dry forces. More than at any other time churches, communities, schools — yes, and city and town councils and police juries have come to depend on LMCF for counsel and guidance in matters of moral and civic nature.

In April 1974, the Louisiana State Supreme Court handed down its decision in the Victoria Sissons case in Winn Parish which virtually made eleven parishes and many municipalities wide open for the sale of beer, wines and hard liquor. Since that time, all or parts of the eleven parishes have been involved in local option elections. Lincoln Parish held the first referendum and every Ward voted dry but one. Much credit must be given to Dr. Merlin Merrill and Mr. Jimmy Love for their superb leadership in their parish. On March 15, West Carroll Parish voted overwhelmingly

dry with a better than four to one majority. Beauregard Parish likewise voted better than three to one in opposition to the sale of alcoholic beverages. Many other wards and municipalities will have been held by the time this report is presented to Annual Conference.

Our Education Division, under the direction of Mr. Mark Tullos, continues to thrill us by their most effective work among youth. During the current school year LMCF Youth Teams will have appeared in more than three hundred schools in Louisiana, plus many church Conferences and Conventions as well as Educational Conventions and T.V. appearances.

The Louisiana Moral and Civic Foundation has begun video taping a television special featuring the Foundation Youth Team. Taping started in Lake Charles in March and will move to five other sites in the state. Airing is scheduled for the Fall.

LMCF is also working in several areas of the state on the matter of pornography and obscenity as they relate to peep shows, magazines, X rated movies and highly questionable TV programs, this latter is a matter of growing concern to many. The Foundation will be in the forefront of a new action to involve Congress and the Federal Communications Commission and to initiate whatever steps are necessary to insure only programs suitable for total family viewing are permitted in the media, which enters nearly every home in this Nation.

It goes without saying that none of LMCF's program would be possible without the unflinching financial and prayer support of God's People and His Churches. The Foundation is dependent solely upon these sources for its income. Like everyone else, inflation is playing havoc with our budget and we are doing all in our power to maintain and hopefully increase our work throughout the State. We must follow the admonition of Isaiah:

"Enlarge the place of thy tent . . . lengthen thy cords and strengthen thy stakes."

UNITED METHODIST MEN

United Methodist Men as a Conference organization is one year old. It was on March 30, 1974 that the first Louisiana Conference president of United Methodist Men was elected by the District Directors of Methodist Men.

During this year the major efforts of the Conference President and District Directors, working through the Conference Board of Laity, was directed toward accomplishing three (3) objectives: First, to find out, if possible, the status of United Methodist Men's Fellowship in the Louisiana Conference particularly as to number of organized groups, their activities and number of churches desiring a Fellowship be organized. Second, to obtain a dedicated and capable Methodist man to serve as District Director of United Methodist Men in each of the nine districts; and to compile an accurate list of all UMM Fellowship's Presidents in each district. Third, to plan and arrange for a conference MEN'S RETREAT, under the auspices of the Conference Board of Laity.

We are proud to report that about 90% of our objective has been met.

Objective One was accomplished by sending out a questionnaire on United Methodist Men's Fellowships to all pastors in the Louisiana Conference. From those responses and other sources we obtained the following:

District	Number organized Fellowship	Number desiring Fellowship
Alexandria	17	10
Baton Rouge	18	no reply
Hammond	16	no reply

Lafayette	10	12
Lake Charles	11	6
Monroe	12	4
New Orleans	22	no reply
Ruston	11	2
Shreveport	17	8
	134	42

Objective Two was accomplished as evident by the following:

District Directors of Methodist Men—La. Annual Conference 1975

Alexandria—Kermit C. Cummings, 517 Hiawatha Trail, Pineville, LA 71360, 318—640-0312

Baton Rouge—Ofney K. Ellis, 4910 Wilmot St., Baton Rouge, LA 70805, 504—355-1005

Hammond—S. Newman Fitzmorris, P. O. Box 27, Ponchatoula, LA 70454 -

Lafayette—Charles W. Mathews, 207 Foreman Dr., Lafayette, LA 70501

Lake Charles—Donnis E. Hines, Rt. 1, Box 194-A, DeQuincy, LA 70633, 318—786-7890

Monroe—John C. Kenton, Rt. 3, Box 125, Rayville, LA 71269, 318—248-3610

New Orleans—Samual G. Populas, Sr., 7917 Nevada, Metairie, LA 70003, 504—737-1318

Ruston—Joe W. Spencer, 901 N. Acres Lanes, Springhill, LA 71075, 318—539-3549

Shreveport—R. C. Mosely, 106 N. Posey St., Vivian LA 71082, 318—375-3127

Objective Three will be completed on June 28-29, 1975. The Program for this MEN'S RETREAT is included in the Conference Packet. Promotion for good attendance is progressing well.

In the Louisiana Conference, as in the general church, a new interest in Methodist Men's Fellowship and what it can mean to the church is evident. It is our purpose to encourage this interest and help develop Methodist Men as a creative, supportive fellowship of men who seek to know Jesus Christ, to grow spiritually, to seek daily His will, and whose primary purpose is to bring Jesus Christ into the lives of men.

**UNITED METHODIST WOMEN
ANNUAL CONFERENCE REPORT — MAY 27-30, 1975**

Bishop Crutchfield, Members and Guests of the Louisiana Conference:

Again, it is my happy privilege of reporting the achievements and plans of United Methodist Women to our Annual Conference.

During this past year, the planning, searching, praying, learning and study has been directed toward developing interests and enthusiasm in our conference organization.

The Annual Meeting of United Methodist Women was held September 20-21, 1974, in First United Methodist Church, Natchitoches, with 500 in attendance. The theme "Challenge of Missions" was emphasized by the Reverend Randolph Nugent, Jr., associate general secretary, National Division of the Board of Global Ministries, as

he stressed the needs and opportunities and our response to these challenges. A special program "Mission Possible" was presented by persons who had attended one of the five mission projects aided by the National Division. Other parts of the program informed the members of the work in the mission areas.

An Experience-Enrichment Workshop was held November 8-10, 1974, for the Conference Executive Committees Members. During this meeting goals were set for the Committee on Program to suggest implementation later during the year.

A Mid-Year Executive Committee Meeting held February 28-March 1, 1975, was useful to evaluate our program, offer suggestions and take care of the necessary business items. During this meeting the Committees on Finance and Program, and the Task Force, Annual Meeting Program, met and made plans with all members of the Executive Committee as participants. Informative reports were given by the Conference Elected Leaders and the District Presidents.

West Gulf Regional School of Christian Mission, June 16-20, 1975, will be at Mt. Sequoyah, Fayetteville, Arkansas, with all Conference Elected Leaders planning to attend. There is to be a special emphasis study on United Methodist Women which will be most helpful.

The Conference School of Christian Mission, July 16-20, 1975, Centenary College, with Mrs. F. E. Kennon serving as Dean. The School will have two identical sessions. "The Louisiana United Methodist" paper issue of May 16th provided good coverage about the School. An interesting roster of leaders and studies make up the program for both Schools. Studies are: "The Prophets", "A Nation Under God" and "Southeast Asia: Christian Presence".

We are looking forward to the Annual Meeting to be in Trinity, Ruston United Methodist Church, September 12-13, 1975. Mrs. Warren Blakeman, chairperson, and the Annual Meeting Program Task Force are making plans for the program to strengthen the relationship of the local, district and conference units with the theme "I Am Chosen . . . My Response is . . .". Mrs. Lowell Sohl, a member of the Women's Division is scheduled to be our speaker.

Special emphasis on a 5% increase in financial giving was stressed for 1974. Our conference mission giving to the Women's Division totaled \$167,648.08. A special Finance Workshop is planned for December 5-7, 1975, to assist the Conference Executive Committee in promoting and understanding the finances in the mission work.

The membership figures reflect an increase in membership in some of the 373 local units with a total of 14,135 members. We are attempting to have a more accurate record with some district workshops planned for the near future.

All members of the Conference Executive Committee have given leadership in the local, district and conference units to build a supportive community and to implement the goals in our organization. Four of the Conference Elected Leaders attended special training in Cincinnati in March. I am grateful for the opportunity of serving on a special Task Force Meeting of the Women's Division regarding the Evaluation of the Essay and Statistical Reports at "475 Riverside Drive", New York recently. It is rewarding to learn that the report was accepted by the Women's Division at their meeting a few weeks ago. Three delegates have been chosen from our conference to attend the National Seminar in Norman, Oklahoma, August 16-23, 1975.

I want to share with you some other accomplishments of individuals within our conference. In some recent issues of the *response*, which is a national publication of United Methodist Women, Mrs. Inez Chrisentery, a member-at-large of the South Central Jurisdiction Core Planning Group, had a very interesting article. New Orleans District President, Mrs. Truman Ward and two other District Elected Leaders have an article about their work. Ms. Sandra Lovett from Baton Rouge,

wrote an article. It is great to have such talented United Methodist Women who share their talents with others. And one such member is Mrs. C. B. McGowan, a member of the Women's Division and UMCOR. We are grateful to her for her leadership.

Bishop Crutchfield, I must call attention that the United Nations General Assembly has designated 1975 as "International Women's Year." I read an article in the Press recently concerning the achievements of this observance and I know that it will be of interest to learn that Australia has decided to use men's names as well as women's names in the naming of tropical storms. We, as United Methodist Women are giving special emphasis on women in rural development. This would be a good time to recognize outstanding women in your church and community; those who are finding courage to try new ideas and interests; women who are working to build — "a community of women whose Purpose is to know God and to experience freedom as whole persons through Jesus Christ; to develop a creative, supportive fellowship; and to expand concepts of mission through participation in the global ministries of the Church."

I have only mentioned just a few of the many activities that are being done in the local, district and conference units. Members of United Methodist Women are participating in the contemporary missionary outreach of our Church; just as our pledge to missions supports mission efforts throughout the United States and abroad, the purpose of United Methodist Women also compels involvement in mission locally.

Bishop Crutchfield, Louisiana Conference United Methodist Women are grateful to you and Mrs. Crutchfield for your interest, support and promotion that both of you have given our organization to make it the success that it is in our conference. We love you and are grateful to you for your dedicated leadership.

Mrs. Robert Compton, President

The question shall then be put first on the motion to substitute, followed by the motion to adopt the report or resolution; provided, however, that the motion for the previous question shall not be in order on the adoption of the report or recommendation or on making the proposed substitution until opportunity has been given for at least two (2) members to speak on each side of the question of substitution or adoption.

RULE 23. PREVIOUS QUESTION: When any member moves the previous question (that is, that the vote be now taken on the motion or motions pending), he shall indicate to what he intends it to apply, if any secondary motion or motions are also pending. If he does not so indicate, it shall be regarded as applying only to the immediately pending question. This motion shall be taken without debate, and shall require a two-thirds (2/ 3) vote of those present and voting for its adoption; and if it is accepted, the vote shall be taken on the motion or motions to which it applies without further debate.

RULE 24. MOTION AFTER SPEECH: It shall not be in order for a member immediately after discussing a pending question, and before relinquishing the floor, to make a motion whose adoption would limit or stop debate.

RULE 25. EXCEPTIONS TO MAJORITY VOTE: A majority of those voting, a quorum being present, shall decide all questions with the following exceptions:

1. One-third (1/ 3) of those present and voting shall suffice to sustain a call for a count vote in case the decision of the chair is doubted. A tie vote sustains the chair.
2. A call for a vote by orders shall prevail if sustained by one-third (1/ 3) of the members of the order from which the call came, present and voting.
3. A two-thirds (2/ 3) vote shall be required to sustain a motion to suspend or amend the rules; to sustain a motion for the previous question; to set aside a special order; to consider a special order before the time set therefor; to sustain the request of the Committee on Courtesies and Privileges for the presentation of any person on the final day of the Annual Conference.

RULE 26. RECONSIDERATION: A motion to reconsider an action of the Conference shall be in order at any time if offered by a member who voted with the prevailing side. If the motion it is proposed to reconsider is non-debatable, the motion to reconsider may not be debated.

RULE 27. CALENDARS, REGULAR AND NON-CONCURRENCE: The Secretary shall keep a chronological record of orders of the day and of reports of committees, which record shall be called the Calendar; and the matter of business placed on it shall be considered as recommended by the Committee on Agenda (the Cabinet) to the Conference, unless by a two-thirds (2/ 3) vote of the Conference an item is taken up out of its order.

When committee presents a report on a given subject, as part of its report, it must also list the numbers of all petitions relating to this subject on which the committee voted non-concurrence.

RULE 28. MOTION TO ADJOURN IN ORDER EXCEPT: The motion to adjourn when unqualified, shall be taken without debate, and shall always be in order, except:

1. When a delegate has the floor.
2. When a question is actually put, or a vote is being taken, and before it is finally decided.
3. When the previous question has been ordered and action thereunder is pending.
4. When a motion to adjourn has been lost, and no business or debate has intervened.
5. When the motion to fix the time to which the Conference shall adjourn is pending.

The foregoing does not apply to a motion for final adjournment of the Conference.

RULE 29. SPEAKERS FOR AND AGAINST: When the report of a subject is under consideration, it shall be the duty of the presiding officer to ascertain, when he recognizes a member of the Conference, on which side he proposes to speak; and he shall not assign the floor to any member proposing to speak on the same side of the pending question as the speaker immediately preceding if any member desire to speak on the other side thereof.

Except for undebatable motions, no motion shall be adopted or question relating to the same decided without opportunity having been given for at least two speeches for and two against the said proposal, provided that right is claimed before the chairman or duly authorized member representing the committee's report or the minority report, if there be such, is presented to close the debate.

When all have spoken who desire to do so, or when (and after) the previous question has been ordered, the chairman or/ and duly authorized member or members presenting a committee's report (and a minority report if there be one) shall be entitled to speak before the vote is taken.

This right of the chairman and/ or other member or members to close the debate shall prevail in like manner to a limit of five minutes when a vote is about to be taken on a motion to amend, to substitute, to postpone, to refer, or to lay on the table or any other motion whose adoption would vitally affect the report under consideration; provided, that this five minute limit shall not apply to a motion to substitute a minority report for a regular (majority) report of a committee.

RULE 30. EFFECTIVE DATE: All actions of the Annual Conference everywhere shall become effective upon the final adjournment of the session of the Annual Conference at which they are enacted, unless otherwise specified, except as provided otherwise in the Discipline.

RULE 31. SUSPENSION OF RULES: The operation of any of the provisions of these Rules of Order may be suspended at any time by a two-thirds (2/ 3) vote of the Conference.

RULE 32. AMENDING RULES: These Rules of Order may be amended or changed by a two-thirds (2/ 3) vote of the Conference; provided the proposed change or amendment has originated in the Committee on the Rules, or has been presented to the Conference in writing and referred to this committee, which committee shall report thereon not later than the following day.

RULE 33. ROBERT'S RULES OF ORDER, SUPPLEMENTAL AUTHORITY: In any parliamentary situation not clearly covered by these Rules of Order, the Annual Conference shall be governed by the current edition of Robert's Rules of Order.

ARTICLE IX: INVESTMENT FUNDS OF BOARD OF PENSIONS

Permanent investments of the Conference Board of Pensions, such as stocks, bonds, and mutual funds shall be transferred to the General Board of Pensions for review and investment at a time to be determined by the Conference Board of Pensions. Temporary investments out of current income shall be left to the management of the Conference Board of Pensions and the Executive Secretary.

ARTICLE X: ENABLING ACTS

To implement the provisions of the conference structure, the following enabling acts are adopted:

A. The new boards, commissions and committees established by the Structure Study Committee report shall be elected by the regular 1974 session of the Annual Conference, and they shall serve until the regular Conference session of 1976. Nominations for these elections shall be made to the Conference by the Conference Committee on Nominations, unless another method of nomination is provided by the Discipline or the Conference rules.

The Conference Board of Laity, the Executive Committee of the Conference United Methodist Women, and the Conference Youth Team shall name their representatives to the Committee on Nominations by April 1, 1974.

B. The Conference CFA shall make provision for the New Structure as required. The total amount for Conference Administrative costs to be apportioned to the local churches, shall not be increased for 1974 and 1975, if at all possible.

C. When new district boundaries are established, properties, both movables and immovables, of the respective districts and district agencies shall become the property of the respective districts and district agencies of the district in which they are located geographically. If, however, the Annual Conference has provided funds to purchase a district parsonage which is no longer needed, that amount shall be returned to the Conference Council on Finance and Administration should that parsonage be sold.

JOHN E. ALLEN

John Ernest Allen, son of the late Rev. and Mrs. Oscar Allen of Lecompte, husband of Mrs. Beatrice Quinney Allen, and father of two sons, John Jr., and Arthur Allen, died Sunday, September 29, at 5:05 p.m.

Rev. Allen was educated at Grambling College, Gammon Theological Seminary and Southern Methodist University. He served as pastor of numerous churches until his retirement, when he began to attend the Wilton United Methodist Church in Alexandria. He served as teacher of the Bible Class until illness prevented continuation. His death was an irreparable loss to the church.

He is survived by his wife; his two sons; one sister, Mrs. Ruby Jones of Houston, Texas; an aunt, Mrs. Cassie Payne of Lake Charles; two daughters-in-law, Mrs. Maggie Lean and Joanne Allen; six grandchildren, a host of nieces and nephews, other relatives and friends.

Raised in the parsonage, called early into the ministry, John Allen rendered faithful service throughout his life. Surely these words of our Lord were also intended for him: "Come ye blessed of my father and inherit the world."

RICHMOND M. BROWN

Richmond M. Brown was born November 30, 1891, in Glencoe, La., to the late Abraham and Caroline Brown, the first of fourteen children. He received his early education at Porter School in Franklin, La., and later attended Gammon Theological Seminary, Atlanta, Ga.

While a young man he was converted and baptized at Asbury Church, Franklin, a congregation he was to serve as pastor two years prior to his retirement. In early life he was united in marriage to Miss Louise Tachwood. One son was born to the marriage. Later, both wife and son preceded him in death.

Upon completion of his theological training, Rev. Brown returned to the Louisiana Conference where he served with distinction for 45 years, prior to his retirement in 1964. Ordained by Bishop R. E. Jones, he served under the administration of five Bishops, the last of whom was Bishop Noah W. Moore. In 45 years of pastoral ministry, Rev. Brown received 16 appointments, including three as District Superintendent.

Richmond M. Brown received his eternal reward on January 5, 1975, and is survived by his wife of 38 years, Mrs. Louise Hyde Brown, and three sisters, Mrs. Catherine Bob, Mrs. Alma Williams, Miss Callie Brown. Funeral services were conducted at Mallalieu United Methodist Church, Lafayette, La. and burial at Jennings, La.

Richmond Brown loved the Lord and His Church. Although he retired from the active ministry in 1964, he continued to proclaim the gospel of his Saviour until his death, at age 84.

WESLEY RALPH CAIN

*"To serve the present age, my calling to fulfill;
O may it all my powers engage to do my Master's will."*

The ministry and life of Rev. Wesley Ralph Cain was interrupted by his untimely death on April 28, 1975. Rev. Cain was serving as the Area Provost of the Louisiana

Annual Conference. A life of service was the daily goal of this servant of God.

Ralph Cain was a native of Minter City, Mississippi. He lived all his life in a Methodist parsonage. His father, Rev. L. W. Cain, served the church for more than fifty years. In 1945 Ralph married Adona Pfost, the daughter of the late Rev. Howard and Mrs. Pfost. This parsonage family was blessed with four sons: Noel Cain of Houston, Texas; Bruce Cain of Ft. Hood, Texas; Richard Cain of Houston, Texas; and Paul Cain of Ruston. Knowing the importance of the home in God's plan for this life, Ralph spent time with his family. He loved Adona and together they supported their sons in all the activities of church, school, sports and life. Ralph enjoyed and treasured his family life.

His seminary work was interrupted at Perkins School of Theology when he felt the call to serve as chaplain in the Army during World War II. Ralph was stationed in Norwich, England during the war. After serving his country he completed his seminary work at Boston School of Theology. Rev. Cain completed 19 years in the Army reserves.

Rev. Cain served the following appointments: the Gonzales work, Denham Springs, Winbourne Ave. in Baton Rouge, associate Alexandria First Church, Memorial Church in Monroe, Springhill and Mangum Memorial in Shreveport. He was a faithful and beloved pastor.

He served the Louisiana Conference for five years as conference secretary until he was appointed District Superintendent of the Ruston District. He was chosen by his peers as a reserve delegate to the 1970 Jurisdictional Conference. Ralph accepted the challenge to serve as the first Area Provost of the Louisiana Conference.

Ralph Cain loved people of all ages and this love was returned by all who knew him. Christian adjectives were used to describe him in life as well as in death.

A Memorial Service was held at the Trinity Church in Ruston. Bishop Finis Crutchfield, Dr. Merlin Merrill, Dr. John Bayliss, Rev. William Shaw and Dr. Marshall Bretz officiated. Members of the Cabinet of the Louisiana Conference served as honorary pallbearers. Bishop Aubrey Walton, fellow ministers and laity joined the family in giving thanks to God for the life and love of Ralph Cain.

Included among the survivors are 3 daughters-in-law, 1 granddaughter, 5 sisters and a brother, Rev. Jerome Cain.

Wesley Ralph Cain was a child of God who matured through love and service to become a man of God in every sense of the word.

ALBERT E. FRANKLIN

Albert Eugene Franklin was born August 7, 1907, to the late Seamon and Dessie Lewis Franklin in Lettsworth, Louisiana. He died Sunday, December 15, 1974, at West Monroe, Louisiana, at the age of 67.

He joined the church at an early age and served in full connection with the Methodist Church 30½ years. At the time of his death he was serving the St. James - St. Paul United Methodist Churches, having served St. James for ten years and St. Paul five years. Other charges were St. Peter Ct., Macedonia-St. Paul; Torres-Catchelor; Rosedale-Shiloh; Lettsworth Ct.; Maringouin-New Roads; Angie Ct., Bogalusa; Peoples, N.O.; and Angie Ct.

Reverend Franklin is survived by: his wife, Beulah Wright Franklin; two daughters, Joyce A., Varnado, Louisiana; and Margaret O., New Orleans, Louisiana; three sons, Albert P., Walter E. and Wilbert C. of New Orleans, Louisiana; one son-in-law; two daughters-in-law; eleven grandchildren; three great grandchildren; two brothers-in-law; one sister-in-law; one nephew; five nieces; two aunts; two uncles; and a host of relatives and friends.

Revered Franklin lived a faithful, full and fruitful life. He was instrumental in leading many persons to Christ, whom he loved and served well.

Whenever and wherever you met him, he had a joyful story to tell that would brighten the day. He will be long remembered -- as a servant, as a friend, as a brother to all mankind.

The great servant of Christ John Wesley went to Heaven March 2, 1791, in the eight-eighth year of his life, after preaching the Gospel for sixty-five years. Shortly before his death, Mr. Wesley said, "I will get up." While they arranged his clothes, he broke out singing in a manner which astonished all about him:

"I'll praise my Maker while I've breath, and when my voice is lost in death, praise shall employ my nobler powers. My days of praise shall ne'er be past, while life, and thought, and being last, Or immortality endures. Happy the man whose hopes rely on Israel's God: He made the sky, and earth and seas with all their train . . . His truth forever stands secure, He saves the oppressed, He feeds the poor and none shall find His promise vain."

—R. S. Murray

NOEL GAINES, JR.

Noel Gaines, Jr., was born December 21, 1922, in Crown Point, Louisiana. After attending Delgado Junior College and Southern University, he completed his Pastoral Course of Study at Perkins School of Theology in 1973.

He joined the Methodist Church in 1967. His first pastoral charge, in 1968, was St. James Methodist Church, Hahnville, and Ninde Chapel at LaPlace, Louisiana. He was sent to St. Phillip Methodist Church, New Orleans, in 1969, and in 1972 was assigned to Asbury United Methodist Church, where he remained until his death, January 12, 1975.

He was the son of the late Noel Gaines, Sr., and Mrs. Rachel Jackson Gaines; step-father of Sidney Wyche III and Mrs. Beltine Tucker; grandfather of Carol Wyche; brother of Bernell Proctor, Los Angeles, California, and Mrs. Dorothy Crenshaw, Sterling.

*"God call our loved ones
But we lose not wholly --
What he hath given;
They live on Earth, in thought and deed
As truly as in His Heaven."*

ALBERT D. GEORGE

Albert Dean George was born September 20, 1887, at Montpelier, La. He died on July 12, 1974, in Hattiesburg, Miss., at the age of 87. His life was a full life of unselfish service rendered over a long period of time. Faith was always real to him.

As one described Abraham; he was willing to say good by to many things but he never said 'goodbye to God.'

Brother George was licensed to preach in 1908. He attended Centenary College from 1909 to 1912. He was admitted to the Louisiana Conference in 1913 and into full connection in 1916. In 1912 Brother George was married to Susan Ruth Hoffpauir. This was a great new beginning for both of them. You cannot think of one of them without thinking of the other, for they made a wonderful team. This is the way the churches thought of them. She gave her talents along with his gifts to the kingdom. Brother George is survived by: Mrs. George; Dr. Donald George, a son; one daughter, Mrs. C. R. Blair; one foster daughter, Mrs. Ray Young. He was buried at Killian Chapel Cemetery, near Montpelier, La.

It was my privilege to serve as Brother and Mrs. George's District Superintendent in Baton Rouge. It was always a pleasure to be in their home or to go to their church to worship. The people loved them and never wanted to give them up. One can understand their feelings for when you visited with them there was always a bit of healing and helping that came over your life. Brother George was pastor of my parents, a brother, sister and their families when he served in Franklinton, La., and they, too, held him and Mrs. George in highest esteem.

In reading an article in the Christian Century reviewing a book "On Death and Dying" by Kubler-Ross they quoted her as saying: "Watching a peaceful death of a human being reminds us of a falling star; one of the million lights in a vast sky that flares up for a brief moment only to disappear into the endless night forever." The only change I would make would be the last phrase "only a brief moment only to disappear into the endless light forever."

Brother George was a good man, and his life was full of good works. He blesses us still.

JOHN GEORGE GIECK

(Following is the Obituary for Rev. John G. Gieck. It was written in his own words and left with his pastor prior to his death May 23, 1974:)

Johnny George Gieck, son of Jacob Karl (changed to Charles after WWI) and Ketrona (changed to Katherine after WWI) Lehnhoff born December 18, 1897 near Woolam, Missouri Post Office and General Store, now RFD, Bland, Missouri.

When 9 months old he weighed 2 pounds less than at birth, due to scarlet fever, and other infant diseases, and the family, Dr. Maize and his mother almost despaired his life. Later, his mother confessed that she placed his frail body on the bed and knelt beside the bed and dedicated her frail son to God's ministry.

When plowing corn with a walking cultivator when he was 9 years old as a barefoot boy, he was overwhelmed with the call to preach the gospel; stopped his mules, knelt in the fresh soil and dedicated his life to the ministry.

When he was in Henderson-Brown Academy he heard the then Missionary from India present the needs of the missionary field in such a persuasive way, concluding with "who will volunteer to go?", he was the first to do so. He then wrote his mother about this experience and also his experience in the fields earlier.

In February, 1922, with W. R. Richardson as pastor, and Dr. R. W. McKay as Presiding Elder, Johnny was granted his license to preach the gospel, was appointed as pastor to the Buckner Circuit during his senior year at college, and was appointed for the second year; and after arranging for a substitute, entered Yale Divinity School, graduating in 1929, with honors.

His betrothed, Eda Pearl Cade, completed her five years as Educational missionary. They were united in marriage on July 17, 1929, and began their ministry together.

WALTER L. GILBERT

Rev. Walter Gilbert was born in Vivian, La., September 21, 1918; he was the son of Mr. and Mrs. Phillip Marcus Gilbert. He attended school in Vivian, La., and graduated from the Lighthouse Christian College at Rockford, Illinois; he also attended the Perkins School of Theology at Dallas, Texas. Rev. Gilbert left the Southern Baptist Convention to enter the Louisiana Conference in September 1966. He served as pastor of churches at Fisher, Mt. Hermon, Bethel, Shongaloo, and was serving the Chatham-Clay-Zoar charge in the Ruston District at the time of his death on June 22, 1974. He was survived by his widow, two sons and two daughters.

Rev. Gilbert was a man who put God first in every aspect of his life, and never compromised his convictions. He believed the Word of God to be infallible, and he preached his sermons by divine inspiration; he did not use notes.

Rev. Gilbert left a priceless legacy to his family and friends by inculcating within them a love for the scriptures, a desire for greater spiritual understanding and an abiding faith in the goodness of God.

WILLIAM F. HOWELL

The spirit of William Frank Howell passed from this earthly scene on August 29, 1974, for his heavenly home. He was born July 29, 1906 and lived sixty-eight years and one month.

At the age of fifteen (15) William joined the Methodist Church at Cleveland, Mississippi where he was licensed to preach in September 1927, at the age of twenty-one. He graduated from Delta State Teacher's College and went to Emory University where he received his B.D. degree. William Frank Howell was received into the North Mississippi Conference in 1931, ordained Deacon in 1933 and ordained Elder in 1935. He transferred to the Louisiana Conference in 1938. In 1945 William returned to the Louisiana Conference where he served Trout, Montgomery, Iowa, Vinton, Fairview-Sweetlake, Lake Arthur, Oakdale and Lake Providence Charges. His ministry was characterized by two outstanding features. He took difficult appointments as the official assignment and he served each one for a long time by the Conference standard.

William Frank Howell and Doris Loftin were married May 16, 1939. Doris has always been a worthy helpmate, a good mother and minister's wife. Their marriage was blessed with three wonderful daughters: Miss Martha Howell, Mrs. (Mary Anne) Richard Lee, and Mrs. (Sara Lee) Greg LieVan.

During the last years of his ministry William had to carefully control all his activities because of a serious heart condition. He retired at the Conference session in 1974. In his short retirement he spent his time and energy planning for the future and his faith grew stronger each day.

Those of us who were privileged to work with him were always impressed by his strength, his faith and his ability to do his best work while carrying heavy responsibilities. He could see beyond the problems of the day and was always looking toward the better tomorrows.

William Frank Howell gave all he had to give, and that was enough, for God blessed him and his work in every charge he served.

JOHNNY HOLLINGSWORTH

"Last of all, as to one untimely born, he appeared also to me."

I Corinthians 15:8

Unlike the Apostle Paul, Johnny Hollingsworth was born into a parsonage family and grew up as a Christian. Like the great missionary, he responded to God's call

to special ministerial responsibility late in life. It was to be a ministry of quality rather than quantity, for death came after only six years in the pastoral ministry.

Brother Hollingsworth served for twenty years in the United States Air Force, and it was during the latter years of his military service that he felt called to the ministry. He was a member of the Barksdale United Methodist Church where he taught a Sunday School class for several years and held almost every important administrative office at one time or another. This increasing involvement led to a growing awareness of his call, so it was understandable that his retirement from military service was followed almost immediately by the beginning of his ministry. He served two appointments, the Wesley-Keithville Charge and Greenwood-Bethany Charge. Meanwhile he continued to work on his formal education and was near graduation from Centenary College when illness intervened.

Johnny Hollingsworth had a knack for working with people, and this ability was at the heart of his ministry. He knew how to give comfort and support to those in need, and he was able to lead persons of differing viewpoints to work together harmoniously. An intense desire to help people was the driving force of his life. To this ministry he added a testimony of faith in his last months through the calm assurance with which he greeted death.

He is survived by his father and one brother, by his wife, the former Marjorie Wakeling of Ipswich, England, a daughter, Mrs. James Edwards, two sons, Robert and John, and four grandchildren. He was born February 10, 1919. He died January 5, 1975.

*"For all the saints who from their labors rest,
Who Thee, by faith, before the world confessed,
Thy name, O Jesus be forever blessed. Alleluia."*

ALTON A. McKNIGHT

Alton A. McKnight was the son of Adolphus Able McKnight and Clara Edna Brown. He was born in Ascension Parish, Louisiana, and lived his entire life in that state. As a boy he attended the Oak Grove High School but never finished High School until years later when he was pastor of the Pine Grove Charge. For his education, he attended Emory Junior College and Asbury College plus some mighty hard study all of his ministerial life.

On April 23, 1929, he was married to Mary Daniels and to that union were born Shirley Jean and Alton, Jr. He is survived by his wife, one daughter, one son and four fine grandchildren. Funeral services in the Rayville United Methodist Church were conducted by J. Henry Bowdon, Sr., J. Henry Bowdon, Jr., and William Haskell. During his forty two and one-half years in the ministry he served churches in Angie, Pine Grove, Springfield, Denham Springs, Amite, Leesville, New Orleans, Cedar Grove and Rayville. For several years he served as the Superintendent of the Masonic Home for Children in Alexandria. He retired from the Rayville Church which showed their love and devotion to him by helping to erect a Retired Minister's Home in Rayville which he and Mary occupied until his death.

Alton had many qualities that made him a very effective minister. He was great in his humility. It was in deep humility that he surrendered his life to God more than a half century ago. From that day until his death he never forgot that he was God's man. The Church, the Masonic Order and the Community conferred upon him many honors, yet amid it all he never thought of himself more highly than he ought to have thought. With all his humility he dared to do what he thought was

right. No one ever wondered what side of any question he stood on for he was positive about his convictions.

He was great in his sincerity. I have followed his course in the ministry since the day we began more than fifty years ago and I know it was his utter sincerity that enabled him to do some of the things which he did. His sincerity was the kind that generated confidence, trust and enthusiasm in the people he served. He brought out of every congregation he served the best that was in it.

He was great in his service. No man ever worked harder at his job than did Alton McKnight. He was not content to be the pastor of the Church he served, but he was active in every worthwhile cause in his community. He served upon many important Committees and Commissions of the church and always with distinction. He never offered his Master second rate services, he always gave his best.

He was great in his friendships. He made friends easily because he showed himself friendly. He cared about people. All over the state of Louisiana there are countless people who were glad to call him their friend. It was a joy for me to be numbered among his friends.

Alton McKnight was great in his faith and strong in his beliefs. He made no attempt to force his opinions upon others, but he was fully persuaded that God was able to keep that which he had committed unto him against that day. His faith vitalized the Gospel which he preached. His faith gave him victory in life and triumph in death. It can truly be said of Alton McKnight what Lincoln said of himself, "Die when I may, I want it said of me by those who knew me best that I always plucked a thistle and planted a flower wherever a flower will grow."

THOMAS O. RORIE, JR.

Thomas Oliver Rorie, Jr., was born to the ministry in a parsonage in Homer, Georgia, May 15, 1890, and passed away March 16, 1975, at home in Virginia Beach, Virginia. He and Mrs. Rorie, the former Amy Lorraine Galloway of Cabot, Arkansas, had recently moved there to be near their daughter, Mrs. H. C. Brown. He is also survived by a son, Kenneth G. Rorie, minister in the Louisiana Conference of the United Methodist Church.

At an early age his parents moved to Arkansas to serve Methodist appointments. Out of that pioneer parsonage came several children, among them being Paul Quain Rorie and Thomas Oliver Rorie, Jr., each to enter the ministry in Arkansas.

Thomas O. Rorie, Jr., was admitted on trial in the Little Rock Conference in 1914 and ordained Elder in 1916. He had been educated in the public schools of Arkansas, at Henderson-Brown and Hendrix Colleges and at Vanderbilt University. At a later date he was able to both serve a church in Texas and attend Austin Seminary, from which he received the Bachelor of Divinity degree. Transferring to the West Texas Conference, he served in Midland, Laredo and Victoria, then transferred to Missouri in 1936. In 1949 he transferred to the Louisiana Conference, from which he retired in 1957 after 41 years of service in the Methodist ministry.

God called on a Sunday morning. He and his wife were together at home, as was their wish. She was by his side, lovingly meeting his needs, when he went to sleep for the last time. They had been married sixty years, side by side from beginning to end.

Brother Rorie was a gifted orator. As with everyone, there were human frailties of personality and habit, but he took great pride in his pulpit preparation and delivery. While in Vanderbilt University he won the Young Medal for Oratory, an award of that era for Seminarians of the Methodist Episcopal Church, South. He was an avid reader and lover of poetry, and his sermons reflected a poetic and

biblical quality, vividly illustrated and presented in the oratorical fashion of his generation.

Not often does a minister conduct a memorial service for his father, but it was my privilege, as well as a privilege to write his memoir. He helped me into this glorious ministry, and I hope I have helped him on into an even greater world that God has prepared for those who love and serve Him with gladness.

May he rest in peace, and our memories abide.

—Kenneth G. Rorie

ALVIN P. SMITH

When a minister of God serves the church for 42 years, what legacy should he be most noted for? The ability to orate? The ability to build great edifices to the Master? The ability to recruit membership? There is a very positive place in today's ministry for all of these things, but if we reach down to the very basic fundamental of our religious beliefs, it must be . . . "to love". Alvin Percy Smith gloriously joined the Heavenly Father September 19, 1974, and if any individual ever represented love, he did. There is no question that he achieved certain levels of success in the oratory, and building and recruiting aspects of the church . . . but there is none he would treasure more than to be known as God's Ambassador of Love. And that he was.

I was having a discussion with a group of ministers recently and the discussion was centered around the fact that mass media (radio, television, and newspaper) have become such a large part of delivering God's message in today's church. How sad, we concluded, that Alvin Smith didn't have all these great vehicles to spread His love. How sad for the world. How many didn't live a better life because Alvin Smith never told them about it. How many bore enormous problems because Alvin Smith was not there to counsel. How many wore frowns on their faces because Alvin Smith wasn't there to make them smile. No doubt, the world has been cheated because more were not exposed to Alvin Smith's example of life and his ministry.

It took some time for Alvin P. Smith to decide that the ministry of God should be his way of life. An orphan, with an eighth grade education, it wasn't till his mid-twenties that God reached down and called him.

By the time most have become experienced and established in the conference, (1932) at the age of 31 Alvin was getting his first appointment. Eight years later, he finally got his B.A. degree from Centenary College. Three years later (1943), he felt the call to serve his country and went into the Chaplaincy of the U. S. Army. Upon completion of the war, Alvin Smith's concern for Social Work led him to return to school to work on his Master's Degree. While studying at Tulane, he was asked to help organize and become the first Executive Director of Goodwill Industries of New Orleans, a position he held for three years. In 1951, Alvin felt the need to return to the ministry on a full-time basis and he served churches in every section of the State of Louisiana until his retirement in 1974. His career in the Louisiana Conference included serving 35 churches.

Alvin Percy Smith is survived by his wife, Edrith, who served so faithfully by his side throughout his church life; four children, a daughter, Judy Smith Egloff of Hanover, Pennsylvania, and three sons, William F. Smith of Atlanta, Georgia, and Donald E. and Alvin R. Smith, both of New Orleans, plus fourteen grandchildren.

On Monday morning, September 23, 1974, memorial services with Reverend George W. Ross officiating, assisted by Reverend Robert Crichlow and Reverend Alfred Norris, were conducted for Alvin Percy Smith. No more fitting conclusion to

the very essence of his contribution to God can be obtained than in the scripture that he requested be read and sung when he died:

*"But if from thence thou shalt seek the Lord
thy God, thou shalt find him, if thou seek
him with all thy heart and with all thy soul."*

—Deuteronomy 4:29

We miss him.

—Alvin L. Smith

J. TAYLOR WALL, SR.

When word was received over the Louisiana Conference on Sunday morning, March 23, 1975 that J. Taylor Wall, as he prepared for an early service at Holly Ridge, had a heart attack and in a few minutes his brave heart ceased to beat, his death brought sadness to both the laity and clergy of the Louisiana Conference.

It was on Easter Sunday, April 6, 1969, that he lost his first wife, Susie Camille Ellison Wall. To them were born five lovely children: Susan Elizabeth, John Taylor, Jr., Marilyn June, Carolyn Rae, and Camellia Ann.

Taylor and Shirley N. Garner were united in marriage only five weeks before death came to him. The marriage promised a most happy future.

Brother Wall attended Centenary College and Perkins School of Theology at Southern Methodist University.

He served in the United States Air Force in World War II with distinction.

During his ministry Taylor served the following appointments: Caddo Mills-Salem Kinser, Crandall, Bellevue — all in the North Texas Conference. In the Louisiana Conference he served Merryville, Northside - St. Luke's (Lake Charles), Cameron-Grand Chenier, Gretna, Istrouma, and Rayville-Holly Ridge.

Taylor Wall, was, above all else, a minister of the Gospel. There were no side-issues in his life. He concentrated his life on making the Christian Faith a reality in the lives of those who looked to him as pastor. His outstanding quality was his friendliness. It was not assumed, but genuine. His outgoing and genuine friendliness made him moved by all who knew him. He was an excellent preacher of the Word and most effective in the pulpits he served. He was preeminently a good pastor. No need among his people escaped his concern and attention. He possessed a fine executive ability in managing the organization and program of the local church. His home life was a beautiful example of what a Christian home ought to be.

We catch a glimpse into the faith that held his heart captive when in the Rayville bulletin for Easter Sunday, in the "Pastor's Corner" Taylor wrote:

"What a glorious season this is! Each Easter I feel more dramatically the power of it all and realize that there is a tremendous wonder in all that God did for us mere mortals . . . Think about it! God loved You so much that He Who created everything which has been created, out of His love and mercy for You, gave His only Son in death that You might live! And the final act of the drama is that he lives forevermore, that neither death nor grave can constrain Him and that He lives again in the world.

"Each year at this time, I get down the copy of a book which has been most meaningful to me over the years - "Gentlemen - THE KING!" by John Oxenham. As I was reading yesterday morning, these words would not leave me: "And what is He to us? (P.85). Might that not be a very valid question for each of us to ponder during these last days of lent and approaching the Day of Resurrection? Oxenham answered it for the day in which Jesus lived:

*"He conquered Death; He broke the bars;
He set the portals wide, And led the way -*

*the first-fruits of God's love -
That man might follow, without fear, the road
Which he Himself triumphantly had trod."*

"This Easter if Christ be anything, He must be our Savior and Lord!"

It is with a hearty salute to his vigorous personality, his stalwart Christian character, and his effective ministry, with blessings upon his memory, that we here bring to a close this brief memoir of our dear friend, J. Taylor Wall, a good servant of the Lord.

MRS. ELNORA F. BERNARD

Mrs. Elnora F. Bernard was born January 30, 1895, to Edward Favors and Penny Hunter Favors of Centerville, La. She was a devoted member of Trinity United Methodist Church, serving with her husband, the late Reverend H. R. Bernard, who pastored Trinity for a brief period. After his death her service continued both at Trinity Church and Sager Brown School. Many were influenced and helped by the outstanding and unselfish contributions she offered. Mrs. Bernard received her heavenly reward on September 30, 1974.

Mrs. Bernard was the mother of the late Mrs. Chaney Morse, known to many throughout the Conference as truly a dedicated church worker and Superintendent of Sager Brown School.

Surviving Mrs. Bernard are three sisters: Mrs. Amelia Climax of Centerville, La., Mrs. Rosie Jefferson of Alexandria, and Mrs. Irene Page of New Orleans; three daughters: Mrs. Hannah Claton of Baton Rouge, Miss Octavia Bernard of California, and Miss Mildred L. Bernard of Baldwin; and four grandchildren.

A reflection of the beauty of Mrs. Bernard's life is expressed in the words of Isaac Watts:

*"I'll Praise my Maker while I've breath;
And when my voice is lost in death;
Praise shall employ my nobler powers,
My days of praise shall ne'er be past . . . "*

MRS. CELESTE DOTSON

Mrs. Celeste Dotson died on November 14, 1974, in Boyce, Louisiana. The funeral service was conducted on November 19 by the Rev. C. H. Green. She was married to the Rev. Elisha Dotson in May, 1961. He served as a United Methodist minister from 1938 to 1961; he passed away on July 7, 1969.

MRS. F. M. [JOSIE] FREEMAN

On October 19, 1974, a beautiful autumn day, Mrs. Josephine Gore Freeman completed her earthly journey and joined the Church triumphant.

She was born in St. Francisville, Louisiana where she lived with her family and grew to womanhood. A young Methodist minister by the name of Marion Freeman was assigned to the St. Francisville charge. He became more than a friend, a pastor - he became the husband of Miss Josephine Gore. To them was born two sons, Sellers and Marion, who survive her.

Mrs. Freeman was a gracious minister's wife. She knew how to meet people, how to run a lovely home, how to entertain personal friends and groups from the Church and other organizations, and to assist her husband in all the ways befitting his position in the community.

A good neighbor is one who shows concern and love for friends next door. Mrs.

Freeman was that. Having lived in the district parsonage beside them for six years, we often witnessed her love and sharing. With pride and joy she made us recipients of her culinary art.

To the last years of her life, she maintained a healthy sense of humor and kept busy. This helped to assuage the loneliness she felt in the house on the hill in South Highlands.

Miss Joie, as she was affectionately called, was patient in her long illness. She loved life, and her children and grandchildren were her priceless jewels. She was especially grateful to Marion and Sarah Beth, with whom she spent her last days, for their love and devotion. A line from THE PILGRIM SONG is a fitting close for any life that has been lived in the service of Christ:

*"Death comes to set thee free;
Oh, meet him cheerily
As thy true friend,
And all thy fears have ceased
And in eternal peace,
Thy penance end."*

—B. C. Taylor

MRS. J. B. [ETHEL] GRAMBLING

Born in Chicago, Ill., on May 29, 1895, of parents of Swedish descent, Ethel Schlegel grew up in Chicago's northside.

In her late teens, she accepted Christ and joined the Broadway Methodist Church. She became very active in the youth program of this church. James Berry Grambling, a young Louisiana vaudeville star, recently turned servant of the Lord, had also become active in the Epworth League of the Broadway Church. It was inevitable that the two should meet. After a four-year courtship, Ethel accepted young Grambling's proposal and on August 22, 1918, in a service in her parents' home, she became Mrs. James B. Grambling.

She moved to Shreveport, La., with her new husband where he began work at Noel Methodist Church and also became a student at Centenary College. While living in a house they had been given permission to build on the college grounds, she gave birth to their two sons: James Berry, Jr., born January 13, 1920 (tragically killed in a gun accident on August 19, 1933) and Robert Franklin, born May 10, 1921.

Shortly after the birth of their second child, her health began to fail. She remained in poor health the rest of her days, though she fought bravely to meet the exhausting demands of a minister's wife. Only a radiant faith helped her keep going during the thirty-eight years of her husband's active ministry.

During the fifteen years of their retirement, her health did not improve, and on May 16, 1975, around noon, she gave up the fight without struggle or pain and went to join her elder son, Jimmy, in the Father's House of Many Mansions.

Her memorial service was held at 10:00 a.m., Monday, May 19, 1975, in the chapel of Kilpatrick's Rose-Neath Funeral Home with Dr. Carl Lueg and Rev. Henry Bowdon, Jr., conducting the service. Burial was in the Grambling family plot in the Greenwood Cemetary in Ruston, La., with Rev. Henry Bowdon, Jr., and Dr. Merlin Merrill holding graveside rites.

Mrs. Ethel Grambling is survived by her husband, Rev. J. B. Grambling; her son, Mr. Robert F. (Bob) Grambling; two sisters, Mrs. Helen McClellan, of Carthage, Mo.; and Mrs. Ruth Heins, of Chicago, Ill.; two grandchildren; and a great host of friends.

As long as any are living who knew her, Ethel Grambling will be remembered as one who, by God's Grace, was able to maintain a loving, caring spirit in the midst of continued physical infirmity.

Her memory will always be cherished by those who knew and loved her. She has left behind her a great heritage of faith.

MRS. R. F. [HATTIE BELLE] HARRELL

Mrs. Hattie O'Pry, wife of the late Rev. R. F. Harrell of the Louisiana Conference, died in Gulfport, Miss., on November 16, 1974 at the age of 97. The Rev. and Mrs. Harrell served first in the Mississippi Conference and then in 1917 they came to the Louisiana Conference. They served the following churches in Louisiana: Waterproof, Tallulah, Gilbert, Many, Columbia, Pineville, Lecompte, Ponchatoula and Covington.

Mrs. Harrell loved every part of the Methodist Church, but probably her first love was the W.S.C.S. She was a contributing editor for the Women's work to what was then called the New Orleans Advocate which represented both the Louisiana and the Mississippi Conferences. The Harrells are survived by two sons, Robert F. Harrell, Jr., of New York, N.Y., and James Harrell of Gulfport, Mississippi, and one daughter, Miss Natalie Harrell of Gulfport.

Mrs. Harrell was a beautiful spirit. I visited her here in Gulfport, and when she knew that I was a United Methodist minister from Louisiana she was lovingly excited. She had a light on her face which indicated the warm deep fellowship that we enjoyed together. I thought after visiting her of the phrase in Victor Hugo's "Les Miserables" when he described the bishop's wonderful Christian sister with these words: "A little flesh bearing a light." This described Mrs. Harrell. She carried this light for almost a century.

She had unusual ability as a writer. Her daughter gave me a clipping that some one sent to her that her mother had written about a friend of her's that had died. This was what she wrote about her:

*"She was a breath that issued forth
From the mind of the Eternal One,
And in a swift flight
Passed over our land, and quickly
Gave us the message, then returned
to the skies."*

This could well be written about her own lovely life. The beautiful appreciation that her children had for her bears living testimony to the quality of her life.

—D. W. Poole

MRS. WILLIAM H. [ANNA J.] HARRISON

*"He profits most who serveth best
In all things great and small."*

A lover of her church, faithful in giving even when her gifts had to be small, a fine Christian woman -- these are the descriptions. Mrs. W. H. (Anna J.) Harrison, born July 1, 1898 and died February 17, 1975, was the wife of the late Rev. William Henry Harrison who became a member of the Louisiana Annual Conference in 1935 and died in 1947. Services for Mrs. Harrison were held in St. Mark Church by Rev. Robert Williams, her pastor. She had lived most recently in the Baton Rouge area. She was the daughter of Eli and Lovey Johnson.

MRS. FALCON L. [SELMA] HEARNE

Mrs. Selma Cox Hearne, wife of The Reverend Falcon Luther Hearne, died November 25, 1974 in Glenwood Hospital in West Monroe, Louisiana. Selma was

born near Chatham, Louisiana, February 17, 1903, the daughter of Frank and Sarah Cox. The youngest of twelve children, she attended elementary and high school in Chatham. On September 28, 1924, she and Falcon Hearne were married in Jonesboro, Louisiana.

Her life was enriching and useful. She was involved in many community activities, but most of all in every phase of church work. Her great love for God and the church found expression in constant self-giving in Christian service. She was faithful in fulfilling her responsibility as a minister's wife and was a tower of strength to her husband, sharing his difficulties and joys, encouraging him in all of his experiences.

Selma was a friendly person and a channel of light and hope to many. One felt at home and at ease in her presence. She had a way of letting others know she cared for them: the rich and the poor, the children and youth, as well as adults. She had an unusual appreciation for the little things in life and saw value and beauty in the ordinary and familiar. Her good sense of humor and cheerful attitude enabled her to find some extra joy in life and to face difficult experiences without giving way to bitterness and defeat. She brought much sunshine and cheer to others. Selma's strong faith gave her strength and assurance throughout the journey of life. In her last moments just before she died, she said, "The Lord is my Shepherd, I shall not want."

She is survived by her husband and a large number of relatives and friends. She has left an influence that enriches, an example that challenges and an afterglow that inspires. She sought to do the will of God and "He that doeth the will of God abideth forever."

—Robert L. Peyton

MRS. J. A. [LOU ANNA] JONES

Mrs. Lou Anna Jones was born on April 1, 1898, in Colfax, Louisiana, the second oldest in a family of eleven children. At the age of 19 she married the Reverend James A. Jones, who was then the pastor of what is now the Montgomery United Methodist Church.

Thirty-seven years of her married life was spent in the parsonage. Mrs. Jones was continually at her husband's side as she willingly devoted her time to the work of God through the Sunday School and the U.M.W. She served with her husband at Wheeling, Ville Platte, Glenmora, Lecompte, Sterlington, West Monroe, Olla, and Gibsland. Reverend and Mrs. James A. Jones retired in Gibsland, Louisiana in 1964.

Mrs. Jones was a dedicated companion to her husband for 57 years, 2 months, and 6 days. She died on November 24, 1974, in the Bienville General Hospital in Arcadia, Louisiana. Memorial services were held at the Conger's Funeral Home, Arcadia, Louisiana, on November 27, 1974, with her husband and Reverend Steven M. Spurlock officiating. Burial was in the Mt. Lebanon Cemetery near Gibsland, Louisiana.

Mrs. Jones is survived by her husband, Reverend J. A. Jones and five children: Reverend J. Wesley Jones, Mrs. Dorothy Moore, Mrs. Bertha Marbut, Mrs. Inez Dick, and Mr. Frank Jones. She will always be remembered for her dedication and love for the Church and home. In the words of her husband, "Lou Anna Jones was a good wife, a good mother, a good neighbor, an outstanding Christian, and a loyal Methodist."

—Stephen Spurlock

MRS. E. A. [OLIVIA GRACE] MAYS

Mrs. Olivia Grace Evans Mays was born to James and Moriah Evans, in New Orleans, Louisiana, February 12, 1907, and was educated in the elementary and

high schools including old Gilbert Academy. Later she received her bachelor's degree in English from Southern University, Baton Rouge. She was dedicated to teaching and served as a ranking teacher for a number of years.

Mrs. Mays united with Trinity United Methodist Church at an early age and was a strong and faithful member through the years. She was also active in the social, cultural, moral, civic and religious life of the community. She was instrumental in influencing the late Mayor Robert S. Mastrie to donate a block of ground for a playground, soon named the Olivia G. Evans Recreational Playground. Mrs. Mays also led in the March of Dimes Campaign on several occasions and was a worker with the Community Chest program.

The later years brought a new role to this staunch citizen of New Orleans. Thus she and Reverend E. A. Mays who served the Louisiana Conference as an outstanding pastor and Executive Secretary of Christian Education for a number of years, were united in holy matrimony. They walked together by faith until her summons came April 3, 1975 when she wrapped the drapery of her couch about her and transferred into eternity.

The Reverend Mr. Mays, her husband, and one sister Miss Hattie Evans, New York, and a host of friends mourn her passing.

—Samuel W. Walker, Sr.

MRS. J. RODDY [CAROLYN] TAYLOR

When death comes into our midst with sudden swiftness and startling unexpectedness, and takes from us one so youthful in years and spirit, we are left stunned and bewildered. Such was the feeling shared by so many of us when we received the news of the sudden death of Carolyn Taylor.

Carolyn had begun the day by fulfilling her responsibilities in caring for her family. She had seen her husband depart for a preacher's meeting and had carried her oldest daughter to school. She then left home to take her mother to keep an appointment with her physician. Then, with a swiftness that is incomprehensible, she left us, the victim of an automobile accident.

Carolyn was born January 27, 1948. She died on January 27, 1975. It was her 27th birthday.

She is survived by her husband, Rev. J. Roddy Taylor; two daughters, Jenifer and Stephanie; her parents, Mr. and Mrs. Marshall Gray; a sister, Peggy; and a brother, Charles.

On October 1, 1966, Carolyn married Rev. J. Roddy Taylor and faithfully served with him in the churches at Eros, Pine Grove, Gibsland, and Bernice. During these years she dedicated herself to fulfilling one major goal, that of seeing her husband complete his undergraduate and seminary education. She willingly put aside her own goals and ambitions in order that her husband might adequately prepare himself for his Christian ministry.

The radiant joy, the deep love, the unwavering faith and trust, the beauty of her Christian strength and commitment, have all touched our lives and have left a holy benediction upon us. She lived to the full the few brief years that were hers. Funeral services were held in the Bernice United Methodist Church on January 29, 1975, with Rev. Edward R. Thomas and Rev. Kirby A. Vining officiating.

Someone has suggested God has placed two lamps in man's hand. One is the Lamp of Memory which takes us by the hand and leads us back through the mists of the past to the happy scenes and experiences of yesterday. The other is the Lamp of Hope which leads us forward through the uncertain mists of the future. Today we walk in the light of grateful memory for the life of Carolyn Taylor, and in the light of confident hope that all we commit to the Father's keeping is eternally secure.

—Kirby A. Vining

MRS. G. A. MORGAN

She was born Edith Edna Hoffpauir at Indian Bayou, Louisiana, on July 3, 1889. She attended school through High School at Indian Bayou where she married Gustavus A. Morgan in 1907.

Rev. Morgan received his local preacher's license from the Indian Bayou Methodist Church in 1907. They served part-time at various churches while he attended Centenary College in Shreveport from 1907 to 1909.

He was ordained in 1909 and they began a full-time ministry which lasted until he retired in 1958. They bought a home in Jonesboro, Louisiana, and lived there until his death on June 21, 1959. She continued to live in Jonesboro until March 1973 when she moved to Santa Anna, Texas, to live with her son. She died on June 21, 1974.

They served churches in the Louisiana Conference during their entire ministry, except for serving from 1932 to 1935 at Santa Anna, Texas.
